# From The Chairman's Desk

Progressive Education Society's Modern College of Arts, Science and Commerce (Autonomous), Shivajinagar, Pune-5 was established in the year 1970 with the aim to impart quality education to the young minds, as the first senior college of Progressive Education Society, Pune 5. This institution was 'a-dream-come-true' for the two visionary educationists, namely, the founders of Progressive Education Society: Late Shankarrao Kanitkar and Late V. T. Tatke. The grand success achieved by the institution in these five decades has proved that we have achieved our objective of instilling education and values in our students; imparting holistic education; inculcating research and problem solving skills; preparing the students for the global marketplace; and being technologically sound.

As one of the leading colleges imparting higher education in Maharashtra from undergraduate level to Ph.D., the college has always been a front runner in introducing new courses as per the needs of the times. Courses like Animation, B.Sc. Blended, Fashion Technology and Apparel Designing, BBA, BBA (CA), BBA (IB), M.Com (E-commerce) and PG Diploma in Data Science received an excellent response from the students.

Modern College, Pune-5 has been bestowed with several awards and recognitions like 'Best College Award' by Savitribai Phule Pune University, Pune in 2008 and in 2021 ; FIST (Funds for Improvement of Science & Technology Infrastructure) grants from DST, New Delhi in 2012 and 2019; BSR funds from UGC in 2013 ; STAR College Scheme from DBT, New Delhi in 2014 ; 'Best College Award- NSS' by Savitribai Phule Pune University, Pune in 2014; UGC sanctioned 'Community College Scheme' in 2015; NAAC, Bangalore re-accreditation with 'A+' Grade CGPA:3.51 in 2017; College with Potential for Excellence Status of UGC in 2011 and 2017; National Award for the 'Best Accessible Website' by Ministry of Social Justice and Empowerment in 2018; got recognition as Mentor College under Paramarsh "UGC Scheme for Mentoring NAAC Accreditation Aspirant Institutions to promote Quality Assurance in Higher Education" in 2019. Unnat Bharat Scheme, a flagship program by the Ministry of Education in 2020 is yet another feather in the cap of Modern College.

I feel proud to say that not only in academics, but in sports as well, the college has broken all records. For the first time ever in the history of SPPU Pune, Modern College, Pune-5 has become the only college to get the 'Best College Award (Sports)' for six consecutive years from 2015. These rewards show the dedication of the teaching staff, non-teaching staff and students of the college towards achieving excellence. The students represented India in International games and Olympic Games.

In this academic year, the college organized one National Level Conference on National Education Policy w.r.t 4 year degree. Various state level webinars curricular and extra-curricular activities in online manner were also organized by the college.

In the Academic Year 2022-23, we not only enrolled 12500 students for various courses in our college but also the highest number of International students and visually impaired students sought admission to Modern College, Shivajinagar, Pune-5 for seeking education. The college provides modern facilities like 'Audio Notice Board', Accessible College Website, Braille Books, Audio Books, Wheelchair facility for the physically challenged and visually impaired students.

All the departments of the college have successfully organized several events throughout the year with active participation from enthusiastic students. The NSS and NCC Units of the college have excelled in the activities conducted by them in the academic year. The NCC cadets got the opportunity to escort Hon'ble Prime Minister Shri. Narendra Modi during the Republic Day Parade at New Delhi. The cadets got selected to represent Maharashtra in the Republic Day Parade at New Delhi.

Under the everlasting dedication of the P.E. Society's Joint Secretary and CDC Chairperson Prof. Dr. Mrs. Jyotsna G. Ekbote, the college bravely accepted the challenge of COVID-19 pandemic from the beginning of the academic Year 2022-23. The devotion of the principal of Modern College, Shivajinagar, Pune-5, Dr. Rajendra Zunjarrao, all the Vice Principals, Head of the Departments and teachers helped us to tackle the pandemic situation bravely. Progressive Education Society organized various workshops and awareness sessions on National Education Policy 2020.

I feel proud to say that Modern College, Shivajinagar, Pune-5 is one of the very few educational Autonomous institutions which could start the preparations of implementations of NEP 2020 w.r.t. syllabus framing and implementation of courses.

Keeping in mind the continuous growth of the courses, laboratories, research centers and number of students in the College, the Progressive Education Society has recently completed the construction of an 11 storey building which will house international grade laboratory facilities, classrooms and administration sections.

Modern College, Shivajinagar, Pune-5 is the 'PRIDE' of the Progressive Education Society. I congratulate the Principal of the College Dr. Rajendra Zunjarrao and all his associates who have played a major role in the success of the institute. I hope the college retains its mantra of being 'Modern' and 'Progressive' always.

I give credit for all these commendable achievements to the leader of “Team Modern” Dr. Rajendra Zunjarrao and the College Development Committee of this college which consists of senior educationists like Prof. P. S. Chirputkar, Prof. Dr. A. K. Pande and Chairperson of the College Development Committee, Prof. Mrs. Jyotsna G. Ekbote.

Vice Principals viz. Prof. S. S. Deshmukh, Dr. Anjali Sardesai, Prof. Dr. M. D. Alandikar, Dr. A. S. Oke, Prof. S. S. Thengadi, Dr. Shubhangi Puranik, Dr. Shilpa Mujumdar, Dr. V. N. Gaikwad, Prof. Sunil Doiphode have been proficiently supporting the Principal. I am happy to mention that all the members (Teaching and Non-Teaching) are responsible for the success and achievement of Modern College of Arts, Science and Commerce (Autonomous), Shivajinagar, Pune-5.

I congratulate the Principal, all CDC Members, the staff members and students of this college for their achievements. I also appreciate the sincere efforts of Editor Dr. Vaijayantimala Jadhav and the members of the editorial board for publishing this annual report 'MODERN' for the academic year 2022-23.

# CDC Chairman Message

Progressive Education Society's Modern College of Arts, Science and Commerce (Autonomous), Shivajinagar, Pune-5 was established in the year 1970 and since its establishment it has been progressing remarkably towards achieving the objectives of the establishment of the first senior college under Progressive Education Society by the visionary founders - Late Shankarrao Kanitkar and Late V. T. Tatke.

The college has made its mark in the field of higher education because of the introduction of several professional courses like Computer Science, Animation, Biotechnology, Microbiology, BBA, BBA (CA), BBA (IB), M.Com (E-commerce), PGDBT, B.Voc. (Fashion Technology), B.Voc. (Animator), P.G. Diploma in Data Science which were the need of the time.

Modern College of Arts, Science and Commerce (Autonomous), Shivajinagar, Pune-5 has received several accolades from the National Assessment and Accreditation Council (NAAC) in all the three cycles of accreditation. The college is re-accredited by A+ Grade (CGPA: 3.51) in 2017 by NAAC, Bangalore. As the college received higher grades in the three consecutive accreditation cycles and with the wonderful recommendations of the NAAC Peer Team, the always progressively thinking Chairman of Progressive Education Society Prof. Dr. Gajanan R. Ekbote and other Management Members planned to move towards 'Autonomy' for the college. As a result of this, the University Grants Commission, New Delhi granted 'Autonomous Status' to the college for a period of ten years with effect from 2019-20 to 2028-29. The college has successfully completed four years of autonomy in the academic year 2022-23.

We feel honoured that Modern College, Shivajinagar, Pune-5 has got recognition as Mentor College under Paramarsh “UGC Scheme for Mentoring NAAC Accreditation Aspirant Institutions to promote Quality Assurance in Higher Education” in 2019 from University Grants Commission, New Delhi. Unnat Bharat Scheme, a flagship program by the Ministry of Education in 2020 is yet another feather in the cap of Modern College.

During my several visits to this college, I have witnessed the hard work poured in by all the teaching and non-teaching staff members of the college. The research base of the college is truly remarkable as presently we have 50 Ph.D. teachers and many more are in the final stages of completing their Ph.D. The college has 10 Ph.D. centers affiliated to SPPU, Pune. Many teachers have received recognition for presenting research papers in National and International Conferences in India and abroad. All this continuous untiring work for the betterment of the students, college and society at large got rewarded in the form of getting recognised as 'College with Potential for Excellence' by UGC, New Delhi. DST-FIST Scheme by the Department of Science and Technology, Govt. of India has been sanctioned to the college for the second successive time; under which the college has developed a very highly equipped centre for Chemistry. The college has been sanctioned with 'Star College Scheme' status by the Department of Biotechnology, Ministry of Science and Technology, Government of India. The college has excelled not only in academics, but in sports too by creating history of becoming the first college ever to get 'The Best Sports College Award 2022' by SPPU, Pune for the sixth Consecutive Year. The Physical

Education department prepares the students for various State / National and International Level Championships and conducts a unique annual competition of 'Progressive Shree'.

The teaching staff members have represented them well in research projects funded by several organisations. The college NSS and NCC Units have performed exceptionally well by preparing students for Republic Day Parades, for creating awareness through rallies, working for the society through NSS Camps etc.

The state-of-the-art laboratories motivate the researchers to do quality research work as a result of which our Science Faculty teachers have registered for National and International Patents in their name and granted 2 patents in the ac. yr. 2022-23.

Under the able leadership and continuous guidance of Progressive Education Society's Chairman Prof. Dr. Gajanan R. Ekbote, we faced the adverse conditions during the COVID-19 pandemic situation as a challenge and successfully tackled them by conducting Online Faculty Development Programmes for providing training related to Online Teaching and Learning and conducting Proctored Examinations. The indigenously developed LMS system and the online examination system are some of the things that the college developed during the implementation of Autonomy.

The recently completed construction of an 11 storey building will house international grade laboratory facilities, classrooms and administration sections.

I, as the Chairperson of CDC, Modern College, Pune-5 congratulate Principal Dr. Rajendra S. Zunjarrao, all the Vice Principals, Heads of the Departments, Registrar, all teaching and non-teaching staff members; students of this college; alumni on their success. Through the unending dedication shown by all the stakeholders, the unit has become a 'Jewel in the Crown of Progressive Education Society'.

I also appreciate the sincere efforts of Editor, Dr. Vaijayantimala Jadhav and the members of the editorial board for publishing this annual report 'MODERN' for the academic year 2022-23.

With best regards,

**Prof. Dr. Mrs. Jyotsna G. Ekbote**
Chairperson, CDC
Joint Secretary, Progressive Education Society,
Shivajinagar, Pune-5.

# From the Principal's Desk

At the end of the Academic Year 2022-23, I am glad to share my feelings about the various achievements and activities that took place during the year. After the achievement of A+ Grade from the National Assessment and Accreditation Council, Bangalore in 2017; continuation of 'College with Potential for Excellence Status' by UGC, New Delhi for the second phase; funding of Rs.1.5 Crores under the DST-FIST Scheme from the Department of Science and Technology, New Delhi, the college has received 'Best College (NSS Award)' for the second time from Savitribai Phule Pune University. Another consecutive achievement for us is the award of Unnat Bharat Scheme of the Govt. of India to the college under which the college adopted five villages.

The student strength of our college has reached to 12,500, which includes 85 international students. We have successfully implemented an online admission process for all classes and are providing online fee facilities to the students. In the COVID 19 pandemic period, implementation of the online teaching learning process was a revolution made in a traditional college like ours. Faculty Development Programs, recurrent training given to teachers and students was a key to this success. An indigenously developed online examination and evaluation system, training to staff and students and its implementation led to the successful conduct of examinations in the online mode and declaration of the results in time. A separate provision was made for the visually impaired students to conduct their examinations. It was an innovative process which gave confidence to these students and they could appear for their examinations independently. In the year 2022-23, the college completed four successful years of autonomy implementation.

The college library further strengthened the 'Institutional Repository' for the benefit of the students. The fully automated library holds the best of collection of books, reference sources, journals, e-resources, braille books, audio books, newspapers and is enhanced by facilities like Biometric Attendance System, Digital Library Section, WebOPAC, 'MODLIB' Monthly Library E-bulletin and a spacious two storeyed reading halls for girls and boys. The library has a separate Computer Training facility for visually impaired students.

All the departments organized several events, fests and workshops with active participation of the students in the online mode. The college has successfully established an Institutional Innovation Council IIC, a Ministry of Education initiative. Under IIC many activities were conducted which helped the students to orient themselves about the start-ups, innovations, etc. Members of the teaching staff have been striving hard to achieve higher academic standards without compromising on their teaching assignments and routine college activities.

I wish to congratulate the NCC unit, NSS unit, the Physical Education Department, ISR and all the committees formed by the college for their active participation in co-curricular and extracurricular activities of the college.

I am thankful to the authorities of Progressive Education Society, particularly Prof. Dr. Gajanan R. Ekbote, Chairman, Business Council, P. E. Society and Prof. Dr. Mrs. Jyotsna Ekbote, Joint Secretary, P. E.

Society, for their valuable guidance and continuous encouragement. We are confident that through their able guidance, our college will continue progressing in all possible ways.

We are grateful to the Chairperson of College Development Committee Prof. Dr. Mrs. Jyotsna G. Ekbote, Dr. P. S. Chirputkar, Dr. A. K. Pande and Prof. Shamkant Deshmukh, Secretary of P. E. Society for their active support, guidance and encouragement.

I am indeed very happy and satisfied to note that the Annual Report Committee has been very innovative and has once again taken painstaking efforts and ensured that an improved quality Annual Report is ready for publication. I congratulate editor of the college Annual Report of the academic year 2022-23 Dr. Vaijayantimala Jadhav; Vice Principal In-charge of the Annual Report Committee, Dr. Amruta Oke and all the members of Annual Report Committee for their innovative efforts and quality work.

# Internal Quality Assurance Cell

The functioning of the Internal Quality Assurance Cell is under the able guidance of Chairman IQAC, Dr. R. S. Zunjarrao. The IQAC committee was revised in the year 2022-23. In the revised structure, Dr. Vijay Gaikwad was added as a new member after the retirement of Vice-Principal (Commerce) Dr. A. V. Kamble.

The major achievement in the year 2022-23 is the Best College (Sports) award for the 6th consecutive time by Savitribai Phule Pune University. Band Beginner Ranking was received by the college, awarded under ARIIA (Atal Ranking of Institutions of Innovation Achievements) by the Ministry of Education, Govt of India under IIC. 3.5 stars were awarded to the college under IIC.

**MOOC Creation:** Creation of MOOC courses is one of the milestones since the academic year 2021-22. The e-content Development Cell developed MOOC courses of our own and these are offered to the students under Autonomy. The examinations are conducted in an online manner for these MOOC courses. In the ac.yr. 2022-23, the staff members of the college developed 10 new MOOCs in the e-content development cell and the courses were offered to the respective classes.

**Online Evaluation:** In the ac. yr. 2022-23, the Continuous Internal examinations were conducted in online mode with the physical presence of the students on campus. IQAC took the initiative to develop the infrastructure, strategy, rules and regulations w.r.t. conduct of online examinations in physical mode. The whole campus was wi-fi enabled. The required infrastructure was installed and internet leased line connection was extended to 500 mbps for the duration of the examination. MS - Teams was used as an official platform to conduct online examinations.

Separate provisions were made for the visually impaired students to conduct their examination.

Exclusive Feedback Collection mechanism was developed in Mograsis ERP through which the students individual feedback was received through his/her personal login. Semester wise feedback was conducted.

**New Courses :**

Started and conducted a certificate course *'Marathi Lalit Sangeet Pramanpatra'* in association with the Lalit Kala Kendra, SPPU.

M.Sc. (Animation) course was started in the ac. yr. 2022-23. Modern College is the pioneer to start the course in Maharashtra for the first time ever.

P.G. Diploma in Data Science course was started in the ac. yr. year 2022-23.

In the year 2022-23, the college conducted many curricular and extra-curricular activities in online mode as well as offline mode after December 2022. Every department conducted their yearly Fest, departmental activities and submitted the reports to IQAC.

This year also the data collection, data compilation and record keeping of data processes were revamped. Generalized formats were prepared and the focus was given on online data collection. The data was collected and compiled which was used for the submission of AISHE, NIRF, Annual Reports, MIS and Self appraisal reports of the institution.

IQAC took the initiative to conduct a Biodiversity audit on its own. The staff members and students took initiative to conduct the Audit. Funds were provided to them through the Yuva Sanshodhak Scheme of the College.

IQAC submitted the AQAR report of the year 2020-21 in an online manner. For the data collection purpose w.r.t. AQAR, a separate task based AQAR committee was formed. In the revised form of data collection, it was decided and implemented the collection of data in online format using google sheets shared by IQAC. The AQAR of the year 2020-21 was submitted on 11th May 2022. The preparation of AQAR for the year 2021-22 is in progress.

The college conducted Departmental AAA for every Department and the compliance reports were sent to IQAC. The College also conducted Institutional AAA through the external agency, CEDA.

The college organized and successfully conducted a National Conference on NEP 2020 four year course.

One offline zonal level Avishkar competition was conducted in the college which was organized by SPPU.

In addition to these conferences, various workshops, seminars, guest lectures and teachers training programs were proposed and organized by IQAC.

Many awareness workshops, meetings with reference to the implementation of NEP 2020 were conducted. The syllabus framework and detailed syllabus was prepared as per the GR published on 20th April 2023. The various BOS meetings were conducted and the NEP syllabus was passed by the Academic Council. As per the SPPU circular, the syllabus was sent to SPPU for approval.

The College has several committees and associations for the curricular, co-curricular, extra-curricular, extension, outreach and ISR activities. The formation and coordination of all the committees was successfully done by the IQAC and the report of activities conducted by each committee during the academic year was received.

The IQAC conducts the meetings of Head of all the Departments for the planning and improvement in the infrastructure development, innovations in the process of teaching learning and evaluation, organization of conferences and seminars, planning of academic, curricular, co-curricular and extra-curricular activities, review of result analysis for the admission process, examination reforms, department wise budget allocation and utilization of available funds.

The regular meetings of IQAC are conducted and new resolutions, proposals are initiated in the meetings which are then approved in CDC for the implementation.

IQAC owes deepest gratitude to Hon'ble Dr. G. R. Ekbote, Chairman, Business Council, Progressive Education Society, Prof. Shamkant Deshmukh, Secretary, Progressive Education Society, Prof. Dr. Mrs. Jyotsna G. Ekbote, Chairperson College Development Committee, Prof. P. S. Chirputkar and Dr. A. K. Pande for their constant support, guidance and motivation towards the effective functioning of IQAC towards achieving excellence in quality.

The IQAC team is thankful to the chairman IQAC, Dr. R. S. Zunjarrao for his continuous efforts, innovative ideas, future planning, all time guidance and constant support for the inculcation and implementation of academic and quality culture in the institution. Under the able guidance of all of them, IQAC assures to excel in functioning and dreaming towards A++ grade by NAAC in the next accreditation cycle.

**- Dr. Anjali Sardesai**
Coordinator, IQAC

# Office

The office of the college plays a very important role in the overall administration of the college. We offer our best services to the students, staff and management of the college. The college office is totally computerized and uses the latest software i.e. Tally ERP Prime for college accounts, Winman for filing TDS returns of contractors and Salary TDS, Mograsys for online admission process. During the period of Covid-19 pandemic our office staff played a very important role. I am grateful to them for their support in this crucial situation. I am very happy to say that day by day by using latest information technology, the college office is working very efficiently and provides fast and efficient services to the students staff and management of the college under the leadership of our our Chairman, Hon'ble Dr. Gajanan Ekbote, Hon'ble Prof. Dr. Mrs. Jyotsna Ekbote , Chairman College Development Committee. Prof. Shamkant Deshmukh, Secretary and Vice Principal and Respected Principal, Dr. Rajendra Zunjarrao.

# Department of German

We are at the end of yet another academic year, the one of 2022-23. This was the first year in offline mode after having gone through a two-year long online teaching phase during the pandemic, and hence initially it was exciting but also a bit challenging for us teachers, as well as for our students. But gradually we got into action mode and engaged ourselves enthusiastically in various academic as well as co-curricular activities. These are the different events and activities organized by our department throughout this year.

**DEPARTMENTAL ACTIVITIES**

- **August 2022: Info Session on the topic 'Cold War and the concepts of Capitalism, Socialism and Communism'**

The Department of German, under the initiative of the departmental head – Prof. Sneha Mahajan - joined hands with the Department of Political Science in organizing an interdisciplinary Info-Session on the topic: 'Cold War and the concepts of Capitalism, Socialism and Communism' on Saturday, 6th August 2022.

The Session was primarily organized for students of German Special, who study these topics as a part of their syllabus in the second year of their Bachelor Studies under the course entitled 'History of Germany post World War II.' However, the session got an overwhelming response from students studying German as a General Subject, as also students of Political Science and others.

Prof. Sultan Inamdar and Prof. Kalpesh Patkar from the Department of Political Science presented a stimulating and informative lecture emphasizing on the geopolitical as also the geoeconomic aspects of the said concepts.

**August 2022: German Meet**

On Friday, 26th August 2022 an informal meet-up event was organized by the German language department. It was an informal gathering of all the students of senior college, who have opted German as a subject. The entire staff of the German department was present for this event. The meet-up was organized at the assembly hall between 11.00 a.m. and 1.00 p.m. A total of about 70 students attended this gathering from the classes F.Y.B.A., S.Y.B.A., T.Y.B.A. and F.Y.Bcom. The meet-up was mainly planned and organized by the T.Y.B.A. German Special students under the guidance of the Head of the German Department, Prof. Sneha Mahajan. This enthusiastic team of students designed the e-invitation card and the students of all the intended classes were cordially invited for the event. Though the event started on a bit of a formal note, it ended with fun and frolic. The T.Y. Special students shared interesting information about one of the German speaking countries, Switzerland, with the help of a very informative yet colorful PPT. The students were briefly introduced to the culture, weather, sports, food, festivals and other specialties of this country. They also discussed the official languages spoken in Switzerland. Then the HOD, Prof. Sneha Mahajan had a brief informal talk with the students. She congratulated the students for choosing this foreign language as a subject, and assured them that this choice will turn out to be beneficial for the students in the long run. The students then played together a few games, where they could use the language a bit, and could have great fun. These games helped bring the students of different years and streams closer to each other, and thus served the main purpose of this meet-up. The honorable guest of the event, our beloved Principal Dr. R. S. Zunjarrao attended the function for some time, and witnessed these wonderful games. He also addressed the students and extended his valuable guidance. After that, two students from T.Y.B.A. special shared their experiences on this joy-ride of learning German as a foreign language with the rest of the students. These first hand experiences must have motivated many of the younger students to choose and continue learning this amazing language, which in turn will surely open various doors of opportunities for them in the coming future. The students enjoyed the chit-chat with their batch mates, seniors and teacher along with some mouthwatering snacks. The memories of this wonderful event were captured in many photos.

- **September 2022: Library Tour**

As one of the semi-academic activities, the German Language Department in collaboration with the library, organized a library tour for the students, who have opted German as an optional

subject. The tour duration was one hour, i.e. to fit in the regular lecture time. In the month of September 2022, the students were taken to the college library. The students were accompanied by their German teacher, Mrs. Pallavi Pathak. The entire tour was conducted under the guidance of our very well-informed librarian, Dr. Shantashree Sengupta. Initially the students were informed about the e-info system installed at the main entrance. Now the students know how to search the books of their interests using the computerized system, if the books are readily available or are already issued to somebody, in case the books are issued, when can the students expect them back, etc. Then the students were informed about all the important systems at the library. It was demonstrated how to use their I-cards for issuing books, or that they need to sign-in and sign-out electronically as they enter and leave the library. Students also got to know how many books they can issue at a time, how long they can keep the books with them and how they can reissue a certain book. Sengupta madam also explained to the students how the books are categorized and how to read the serial numbers on the books in a certain category. The students now are aware of the fact that the new arrivals are displayed at the entrance, and they are not available for the students for the first week of arrival. They are now well aware that the books which are very costly cannot be issued, but students can read them in the specified reading hall. The overall session was quite informative and helpful for the students. They were also introduced to the other staff members of the library. The response of the students was overall very enthusiastic and overwhelming. Quite a few students borrowed some books of their interest, for e.g. grammar books, poetry books and novels, books on personality development etc. A few students also engaged themselves in reading in the same visit.

- **January 2023: Guest lecture by Margarita Kasper**

A Guest lecture is always a very refreshing and enriching experience for students. Moreover it is also a fun and exciting event, especially when the guest hails from a foreign country. German language students get such opportunities very often at our department. With each language opens a door into a new culture. Knowing new cultures, traditions, festivals of a foreign country is not only interesting and exciting, but it also helps the students to better understand their own culture and traditions. During such guest lectures the students also get acquainted with a few typical words in the colloquial language, which they otherwise do not find in their textbooks. This increases the fun element of the lecture.

The German language department welcomed its students into the New Year 2023 with one such wonderful guest lecture. This lecture was conducted by Ms. Margarita Kasper, an Austrian citizen, who was doing a teaching internship at the German Section, Department of Foreign Languages, Savitribai Phule Pune University. She is an expert of teaching German as a foreign language. Along with that she has also specialized in German Linguistics, Social and cultural Anthropology and Spanish language. Formerly she has worked as the branch manager of a Language and Culture Institute in Mexico, and is presently working on the project of Austrian Dictionary. Ms. Kasper conducted the lecture on the topic: “Christmas celebrations in Austria”. The lecture was conducted on Wednesday, 4th January. It was a wonderful lecture and a lot of information regarding the Christmas celebrations was provided with the help of many colorful pictures, real life photographs, informative VDOs and interactive quizzes. We got a very enthusiastic response and participation from our students. The students got a very interesting and thorough information about the story of Christ-birth, Advent Calendar, families getting together on the festive occasion, specialty food and festive menu, Santa Claus and St. Nikolas and many more related things.

Our T.Y.B.A. Special students volunteered for the event. They organized everything from mic, projector, screen and a small refreshment for our guest. The Head of the German Department, Prof. Sneha Mahajan welcomed and introduced Ms. Kasper. Prof. Pallavi Pathak extended the vote of thanks. The students enjoyed clicking a lot of photos and selfies with Ms. Kasper.

- **January 2023: German Fest Competitions**

The Department of German organized the German Festival "Deutsch-Fest" in the second week of January for its senior as well as junior college students. As part of this fest a couple of competitions were organized. A brief information about these competitions is as follows:

1. **Kochtag (Cooking competition):-** On Monday, 9th January we celebrated Kochtag. Around 18 groups of students participated in this competition. Each group consisted of on average 3 students. The students were expected to make some German, Swiss or Austrian dish. They were allowed to prepare something from the breakfast menu, meal at lunchtime or snacks with or without meat and eggs. The students prepared a wide range of menu, right from cakes and coffee to full meals to desserts. The dishes were judged on the basis of presentation, authenticity of the taste and description of the recipe to the judges in German. We had two young guests to judge this competition: Ms. Margarita Kasper from Austria and Mr. Benedikt Lempert from Germany. Both of them are presently doing Teaching Internships in Pune, Ms. Kasper at the German Section, DoFL, SPPU and Mr. Lempert at Loyola Junior College. The students, teachers and judges thoroughly enjoyed the entire event.
2. **Kreatives Schreiben (Creative Writing):-** This competition took place on Wednesday, 11th January. The students from 11th standard and F.Y. being at the beginners' level, were provided with blank comic strips. They had to come up with funny dialogue suitable for the picture. For S.Y. and T.Y. students it was a 'Bildergeschichte', a story told through pictures. They were provided with a small series of cartoons and to the sequence of these pictures, they had to write their own short story. Both these write-ups were obviously expected in German. The fun element, imagination, correctness and level of language were the basis for judging the comics. Ms. Geetanjali Kanade from S.P. College judged this competition. This competition gave the students the chance to combine their creativity, wit and language skills together.
3. **Gedicht Vorlesen (Poetry Competition):-** On Thursday, 12th January the Poetry Recitation competition was organized. The students from F.Y., S.Y. & T.Y. participated enthusiastically. A few of them presented self-composed poems and a few presented poems by well-known German authors or poets. The performances were judged based on different criteria, such as confidence, pace and clarity of voice, pronunciation and intonation of words and overall style of delivery. We had two eminent guests to judge this competition: Dr. Savita Kelkar and Ms. Christina Rath. Dr. Savita Kelkar has many achievements. She is Prabandhak at DES and West zone coordinator of InDaf. She is felicitated with the state level 'Best Teacher Award' and has been very recently awarded by the 'Order of Merit', the highest award given by the German government to any citizen. Ms. Christina Rath is appointed at DoFL, SPPU as DAAD Lecturer from August 2021. Before coming to Pune she was associated with the University of Cologne, Germany and University of Adelaide, Australia.
4. **Memewettbewerb (Meme Competition): -** Apart from the above competitions, an online meme completion was also organized. The students needed to make memes on topics like Corona, Inflation, Politics etc. A few students came up with some really creative and funny stuff.
5. **Gesangswettbewerb (Singing Competition) :-** This competition was specially held for the junior college students and we got a very enthusiastic response to it. A few students performed solo and a few in small groups. A few of them also accompanied their singing with some musical instrument. It was amazing to see such refreshing young performers perform so confidently, that too in a foreign language so new to them.
6. **Posterwettbewerb (Poster making Competition):-** The junior college students made posters in different cities in Germany, Switzerland and Austria. They researched and gathered information, photos and articles about various cities. The information about specialities, food, festivals and traditions was arranged in very creative and innovative ways. This competition also proved to be very informative to the other students.

We experienced an overall enthusiastic participation from all the students. Many, who did not participate, volunteered pro-actively. Such competitions bring out the creative side

and managerial skills of the students, develop team spirit and give students to use their language skills confidently in presence of the native speakers.

- **March 2023: Deutsch-Fest (German Day)**

  On 2nd March 2023 we celebrated 'German Day' at the Assembly Hall. It was a small get-together of all the students from senior and junior college, who have opted German as a subject along with our BBA students and all the German language teachers at Modern College. On this day we also organized the Prize Distribution Ceremony for the various competitions and events conducted at the department throughout the academic year. The event was graced by the kind presence of our honorable Principal Dr. R.S. Zunjarrao Sir as the chief guest. The winners of the competitions were awarded with prizes and certificates. All the participants and volunteers were also felicitated by certificates of participation and appreciation respectively. Many students decorated the event with their awesome performances. The event ended on a sweet note with a small refreshment for all. Prof. Vrushali Bapat from Modern College of BBA presented her award-winning short film about learning German as a foreign language. Prof. Bapat was one of the winners of scholarships given by Goethe Institute for German Language teachers, and as part of this scholarship she got a chance to go to Vienna for a week, where she had presented this film before.

- **Internships**

This year we had 5 students in the T.Y.B.A. Germanistik, i.e. they had opted German as their subject of specialization for the bachelors. As a part of this course, the students are required to do internships in both the semesters. The purpose of the internship is to get insight into the professional world and to be able to practically use the acquired language skills and knowledge. As the internship in the fifth semester, all of these five students attended and observed the German language certificate course conducted at the German section, DoFL, SPPU for a week. During this week they observed these lectures thoroughly, observed the different teaching methodologies used by the teachers. They also submitted detailed reports about their observations and a few suggestions based on their findings. This introduced them to a variety of teaching techniques, which they can use practically in their professional life, if they choose teaching German language as their profession.

In the sixth semester all our five students chose 1 month long internships, wherein they could practically use their German language skills. A short summary of all these internships is as follows.

Niharika Malpekar, Shravani Tayde and Sanika Oke worked with a newly formed Start-Up 'EuroIn Networks', which helps and guides the Indian students and working professionals, when they want to go to Germany for higher education. Sanika, Shravani and Niharika contributed right from suggesting this innovative name for this organization. The start-up was also in the process of building its website. So data collection and its sorting was the major responsibility of our students. They gathered detailed information about all the private universities in India and in Germany. They analyzed which universities can work together as partner-schools, so that students' exchange becomes easier in the future.

Nareindra Walia Singh did a 3 months long internship with the 'Legacy Translation Memories'. He worked with them 6 days a week, 4 hours each day. He worked in 3 language-pairs, German-English, German-Marathi and German-Hindi. His major responsibility was to proof-read the translated documents and to check them with the original source document. He used MS Word, Excel and Powerpoint. Alongside he also got to learn and use the translation tools like Wordfast and CAT Tool. He gained hands-on experience of working on live translation projects. This experience will help him immensely in his professional life.

Suyog Khade did a one month long internship with 'Edunova School of Languages, Pune'. He majorly focused on two aspects: Teaching German language and translation. As a part of the internship he thoroughly observed the lectures for A1 and A2 levels. He could learn different teaching methodologies and use of media while teaching a foreign language. He also got a chance to conduct one lecture for beginner-level students and taught a grammar topic in a very interactive way. For that he received many wonderful feedbacks, which would further motivate him to take up teaching as a profession. Apart from this, he also got to learn many other practical and financial aspects of running an independent private educational institute.

All our students have done really wonderful in their internships and have gathered a handsome experience. This will surely help them to be good professionals.

- **September 2022 - April 2023:Level 1 course**

  The German department offered a Level 1 German language course from September 2022 to April 2023. This was an offline add-on course for beginners. The course content is designed in such a way, so that the students get to learn and practice the language in all four ways: Reading, Writing, Listening and Speaking. The themes chosen come from day-to–day life, such as Food, Hobbies, Friends, Travelling etc. The students find these themes relatable and can practically use the vocabulary. The exam is conducted as per the exam pattern defined by the Goethe Institut, which is followed world-wide. This course is offered ideally for the students, who otherwise do not have German as a subject. Three of our S.Y.B.Com. students successfully completed the course with good grades. This year the course was conducted by Prof. Pallavi Pathak.

**ACTIVITIES AND ACHIEVEMENTS OF THE FACULTY**

During this academic year the teachers of the German department attended a couple of seminars and training programs conducted by various educational institutions.

- **August 2022: 'Introduction to Dialogue Interpretation (Ger < - > Eng)'**

  Prof. Sneha Mahajan successfully completed the online course 'Introduction to Dialogue Interpretation (Ger < - > Eng)' conducted by a Swiss Interpreter and Teacher, Ms. Barbaba Brändli. The course focussed on the basics of Interpretation with a little bit of theory and a lot of practical application. Ms. Brändli gave in quite a few insightful tips and pointers regarding right and correct interpretation.

- **January 2023: Seminar 'Teachers for Future'**

This was a day-long seminar conducted at the Fergusson College, Pune. As the name suggests, it was planned keeping in mind the current as well as the would-be teachers of German language. Our entire staff of German department and a wholesome number of students from the senior college attended this seminar. There were teachers present from almost all the educational institutions all over Pune, where German language is offered. The seminar consisted of many activities like presentations on the on-going trends in teaching methodologies, use of technology in teaching, how learning the German language can be integrated with creating employment etc. There was a very insightful panel discussion on the topic 'Challenges faced while teaching German as a foreign language and techniques to overcome them'. Teachers from all levels of learning, i.e. Primary school, Secondary school, Higher Secondary school and Junior College, Senior College and even Masters were part of the panel, representing their respective sections. Head, German Department, Prof. Sneha Mahajan was also one of the panelists, representing the senior college. She contributed quite an insightful information about the theme. Prof. Mahajan also won the Prize for the competition held for teachers, where the teachers were expected to write on the topic 'My best moment in the classroom'.

There was also a competition for the students, where they needed to write about their experience with learning German as a foreign language. Quite a few students from our senior college participated in this competition and our TYBA Special student Suyog Khade was one of the winners. He also presented his write-up in the seminar. It was really an enriching experience for our teachers as well as students.

- **January 2023: InDaF seminar**

A three day national level conference of German teachers from across the West Region was organized by InDaF, Goethe Institut, Pune, PASCH, Pune and Goethe Institut, Mumbai from January 27th to 29th at the Goethe Institut, Max Mueller Bhavan, Pune. InDaF – Indo German Association of German Teachers from all over India and has been actively working since 23 years from its central office in New Delhi.

The conference started on the evening of 27th January 2023 with a virtual opening and welcome. The following two days consisted of various workshops, panel discussions and cultural exchange programs, filled with lots of learning, exchange of ideas and fun, of course. The topic for this year's conference was 'Activity-oriented Teaching' with a pedagogical and didactic focal point. All the workshops were conducted by teachers of German from various parts of Western

India and provided more insights and ideas of teaching and learning German as a Foreign Language (DaF-Unterricht).

Prof. Sneha Mahajan, Head, Department of German, MSASC (Autonomous), Shivajinagar, Pune – 05 actively participated in the conference. Her abstract for the workshop was selected and she got an opportunity to conduct a 90 minutes workshop on the topic 'Implementing and incorporating theater pedagogy in German teaching'. The workshop was about learning with all the senses, i.e., creative, cognitive, emotional and kinesthetic learning, and was designed to be extremely practice-oriented. In doing so, an attempt was also made to refer to multiple focal points, namely the use of body language, communicative means and theater plays in the DaF lessons. The aim was that the participants should take away ideas and suggestions from the workshop for designing a playful, highly movement-oriented but also linguistically successful lesson.

This experience indeed helped Prof. Mahajan to understand her own topic better and reflect upon her own teaching skills.

- **January 2023: 'Moch G-20 - The Sherpa Track**

  Prof. Sneha Mahajan was invited as a jury by the Political Science Department of the college for the competition titled 'Mock G-20 - The Sherpa Track'. It was held on 19th January 2023.

- **March to May 2023: DLL Courses**

  All four staff members of the Department of German - Sneha Mahajan, Pallavi Pathak, Shilpa Deshmukh and Supriya Joshi successfully completed the teachersä training course 'DLL (Deutsch Lehren Lernen)' "Learning to teach German". These courses offered by Goethe Institut, Max Mueller Bhavan, are innovative advanced training programs focussing on methodological didactic principles of good teaching, as well as professional development of the teachers and their classroom lessons. The new advanced training and professional development series of the Goethe-Institut was specifically tailored for teachers of German as a foreign language (DaF) and German as a second language (DaZ). DLL provides practice-oriented qualifications for teachers worldwide – be it at the primary or the secondary level or adult education.

  There are in total 8 different courses which impart different aspects of teaching. Prof. Mahajan opted for DLL Course 4 - Assignments, Exercises and Interaction, and Prof. Pathak, Prof. Deshmukh and Prof. Joshi did the DLL Course 1 - Teaching Competence and Lesson Planning. The courses started in March and ended in May 2023.

- **BKD events**

  BKD stands for Bildungskooperation für Deutsch (Educational co-operation for German language). This is an organization formed by the Goethe Institut and German language teachers for senior level/college level can be a member of this group. BKD organizes many seminars and training programs for its members, so that the teachers upgrade their language skills and learn new and innovative teaching methodologies. Prof. Sneha Mahajan and Prof. Pallavi Pathak actively participated in two such training programs.

1. **September 19, 2022 Seminar 'Sprechen Sie gerne?'**

   This was a training program for teachers of German language which focussed on promoting speaking skills in teaching German as a foreign language. It was conducted by Aarti Ghodekar, an experienced teacher and German language specialist from Goethe Institut, Max Mueller Bhavan, Pune.

2. **1st December, 2022 'Mehrsprachigkeit im DaF Unterricht':**

   In the seminar 'Multilinguality in German Teaching' it was majorly discussed, with the help of different games and experiments, how using English, Marathi or any other regional language intermittently while teaching German can be useful. This seminar was conducted by Mr. Miguel Rezzania, a native German language linguist. It was very insightful. Prof. Sneha Mahajan and Prof. Pallavi Pathak attended this session.

3. **4th February, 2023 Introduction to HOHO Courses:**

This was an orientation session about the Hop On - Hop Off Courses of Goethe Institut, Max Mueller Bhavan, Pune. Ms. Aarti Ghodekar conducted this session and enlightened us about these skill development courses designed for teachers of German Language.

4. **24th February, 2023 Teachers' Conference:**

The purpose of the conference was to give the teachers an overview of the activities BKD conducted in the previous year and the activities they have planned for the year 2023. Similarly they also presented the new initiatives of Goethe-Institut in this conference. This seminar too was attended by both the faculty members.

5. **3rd, 4th and 5th May, 2023 'Sprache, Landeskunde, Methodik-Didaktik':**

As in the previous years, BKD offered the above-said training programme for German language teachers. The training programmes that they offer focus on the methodology and didactics of teaching German as a foreign language and aim to equip the participants not only with the latest know-how on teaching a foreign language but also with practical tips and materials for their classes, to make the lessons communicative, interactive, creative and more accessible to the students. As part of these efforts to consolidate and improve the quality of teaching German in the schools and colleges, the training programme "Sprache, Landeskunde und Methodik/Didaktik", roughly translated as "Language, Culture and Methodology and Didactics" was conducted from May 3rd to May 5th, 2023 at the Goethe Institut, Pune. The workshop was conducted by Ms. Amrita Dhara, an expert trainer at Goethe Institut, Mumbai. Prof. Sneha Mahajan and Prof. Pallavi Pathak attended this three day long training program. During these sessions they could learn and practice various didactic methods to make the lessons interesting and interactive for the students.

**Activities and Achievements of the Students**

- **1st December, 2022: Workshop 'Diversität' (Diversity)**

BKD, Goethe Institut, Pune organized a half day workshop for college students. The workshop was conducted by Mr. Miguel Rezzani. Students of S.Y.B.A and T.Y.B.A attended this workshop and learned a lot about this topic with a lot of games, activities, as well as discussions and debates.

- **3rd December, 2022: Reading session by Ms. Kathrin Rohman**

Students of S.Y.B.A and T.Y.B.A attended a reading session by Ms. Kathrin Rohmann, German author. She read excerpts from her latest book 'Apfelkuchen und Baklava'. The reading was followed by an interactive session of discussion and chats about the book as well as Germany.

- **January 2023: Paper Presentation**

Two of the students of the department - Mr. Suyog Khade and Ms. Dhanashree Lokhande had their abstracts selected for the Conference 'Teachers for Future'. They both wrote small papers and presented them at the conference.

- **February and March, 2023: 'Get Job Ready in German: Introduction to Translation and Professional Communication in German'**

Three students from S.Y.B.A German Special batch - Ms. Samvita Hattangadi, Ms. Somya Salunkhepatil and Mr. Anadee Pathak successfully completed a four credit course titled 'Get Job Ready in German: Introduction to Translation and Professional Communication in German' organized by the Department of German, Fergusson College, Pune.

It was a sixty clock hour course that took place between 4th January to 15th February 2023.

The course was organized by Dr. Amruta Kulkarni, Head of the German Department at Fergusson College and was divided into three parts, Translation, Professional Communication and Intercultural Communication.

The four resource persons for the course - Dr. Sumedha Desai and Devaki Kunte ma'am for the Translation part, Renuka Panchpor ma'am for the Professional Communication and Dr. Janaki Narkar-Waldraff for the Intercultural Communication part.

The Department of History has always been active in promoting Indian History, heritage and culture and this year the department and its staff members have been actively involved in the same. The department conducted indoor and outdoor activities for the students. Some which may be specifically mentioned are:-

1. The Department organized its annual ***Iti - The History festival*** on the 1st of February 2023, after a gap of two years due to the Covid-19. Aimed to promote and showcase the cultural heritage of India, the event held cultural performances by students in the form of classical dances from the North and South India, Folk songs, Powada geet from Maharashtra, poems and monologues were recited. Highlighted events were flute recital and performances by the Blind/VH students of the department. Not only that, there were also exhibitions of Historical artefacts and the Historical Costumes display. The former was put up by students of the department while the latter was displayed by the students of the Fashion Technology department. Two competitions were also organized - the Selfie with Heritage competition and the Short-film competition. The event was graced by the presence of Hon'ble Principal Dr. R.S. Zunjarrao, Vice-Principal Dr. Amruta Oke and the Head of the Department, Dr. Rajesh Kulkarni. The event was coordinated by Dr. Priyanka Joshi.
2. A ***Heritage Walk*** was organized at Pataleshwar Caves and Jungli Maharaj Mandir on 3rd February 2023 by the Department of History. The heritage walk was organized with a view so that the students were able to get an in-depth knowledge of the Jangli Maharaj Temple and the ancient Pataleshwar Temple, a site conserved under the Archaeological Survey of India. It was an initiative to connect the new generation and youth with our rich heritage. Along with the students, some citizens also took advantage of this heritage walk. The program was also supported by the National History Council. The heritage walk became a subject of curiosity and joy for the students. A large amount of awareness was created in this regard through print and social media. The students also got a chance to do something new and learn about their heritage through such activities. They realized how important it is to preserve their heritage. As some European citizens were also present at the place, the students got an opportunity to interact with them. The walk was organized by Prof. Manasi Bhosale and all other department staff members were also present on this occasion.

3. The Department of History is also one of the Departments in college with a high number of Visually impaired/Blind students, for this purpose the Dept. of History has specially produced lessons in audio format. The Dept. functions to aid our VH/Blind students in using teaching methods keeping our VH/Blind students in mind, with a policy of "Help to All". Our Teachers have also assisted the Visually Handicapped students through all possible methods.

   The staff of the Department has not fallen back short of academic performances. Faculty members have actively contributed to the Institutional development as well as personal development.

8. **<u>Plans of Department for next year</u>**

The Department of animation plans to shift to its department in the new building in the next academic year. As NEP was implemented this academic year, the department will work efficiently to align the programmes with the new guidelines and make them more efficient, effective and value-rich. With a wider and better infrastructure , the department will make sure it fuels the students with more knowledge and skills. The department shall develop the courses to be more output and research oriented. The placement committee aims to bring more organizations on board for job opportunities and orientation programmes. The department will nurture its two festivals i.e Aura and Focal Point as well as make sure many more workshops and seminars are conducted.

The Indian Animation Industry encompasses traditional 2D animation, 3D animation and visual effects for feature films. Now-a-days Animation has huge demand in E-content Development, Film, Gaming industry, Web and in Advertising Industry. There are many reasons behind this increasing demand for Indian studios worldwide. The need of an hour is excellence in every field of operation and particularly “Information Technology ”. Realizing this need, the Department of Animation, Modern College, Pune-05 is engaged in molding tomorrow’s information and communication technologists and animators today. The current era is a technology era which must get influenced in fields like education, teaching and learning. Use of technology in teaching pedagogy, online teaching, e-learning process, e-content development are the key areas which are nowadays promoted by Govt.of India through MHRD’s MOOC and SWAYAM courses. Development of e-content and thereby promoting virtual classroom approach is the objective of the college management.

**Establishment of the Department**

The Department of Animation is established in the Academic Year 2019-20 as a separate Department. Initially it was under the Department of Computer Science. The course run by the

department is B.Sc. Animation which is a 3 years degree course started by SavitribaiPhule Pune University in the Academic Year 2012-13 and in Modern College in the year 2013-14.

Since the first batch passed out of B.Sc. Animation, it's a history to achieve 100% result till academic year 2018-19. Under autonomous status the department has also started M.Sc. Animation course from the current academic year 2022-23. The Department of Animation, Modern College is the pioneer to start an Msc in Animation Course under the SavitribaiPhule Pune University. UGC NSDC had sanctioned B.Voc. Animator (3D Animation and VFX), 3 years degree course which started from Academic Year 2021-22. This year SavitribaiPhule Pune University also granted approval to both Msc in Animation and BVoc Animator . Department also launched a Graphic Designing and Animation (GDA) certificate course and teacher's training course. The intention of running these courses is to bridge the gap between Industry and academics and to produce skilled manpower required for the Animation Industry by giving relevant knowledge and practical experience to the students.

The department is well equipped with modern facilities and tools required for the animation studies. It includes two computer labs and one VFX studio. All the staff members are qualified and experienced in their subjects. Along with the teaching they also participate in various off-campus industrial and educational activities. MOUs have been created with Sharkfinn Studios, Pune and Padhega Bharat scheme to develop industrial relationships for the benefit of the students. The department also conducted an online art competition in the lockdown period. The students opt for our center with highest priority. As a result, the students of Modern College, Shivajinagar, Pune-5 are at the forefront in the Animation field. During their graduate studies they undertake the projects which are relevant to the current Industrial needs. These projects have helped students to apply their theoretical knowledge to the real life situation. They develop a portfolio to showcase their expertise gained in three years of degree course. Through practical demonstrations, Guest Lectures, Group Discussions etc, we bring the latest in Animation technology to our students. Co-curricular activities sharpen their minds and other skills that help in overall development.

We have a dedicated team of teachers, experts and well equipped laboratories. The young and highly qualified team of faculty members spare no efforts to keep the students well motivated and in updating their knowledge, creativity and skills. The students are also reciprocated by their high achievements in academic performance.

**Technical Support**

The Department of Animation provides technical support to the various events and programs carried out throughout the year. This includes audio-visual presentation, live video coverage through the Modern Media Station Youtube channel and other technical assistance to broadcast all the events organized in the college.

**E-content Development Cell**

For creation, development and deployment of the in-house e-content, the department of Animation has started E-content Development Cell with etiquette infrastructure facilities. Under this activity the college has started its own YouTube channel- Modern Media Station for live broadcasting the academic events conducted in the college campus and online delivery of college notices and lectures. These Courses called MOOC (Massive Open Online Courses) are developed by teachers who are experts in their field and the editing of this content is done by the Animation department. Then these developed e-content is distributed through the medium of Youtube. The exam conduction as well as the mark allotment for these courses is also done at the Animation Department under the guidance of our HOD and Vice Principal Dr.AnjaliSardesai.

**Departmental Academic and Administrative Audit**

The departmental academic and administrative audit was carried out in the department of animation on 28th January 2023. Prof.Tahir Tanveer, HOD Animation, Film and television Institute of India was an auditor and expert for this session. On this occasion HOD Dr. Anjali Sardesai welcomed and felicitated Prof. Tahir Tanveer and addressed her speech. Prof. Sameer Nerlekar presented various departmental activities and information. All the staff members introduced themselves to the Honourable Auditor. Prof.Tahir Tanveer guided the staff members regarding the overall development of the department and gave his respective feedback. Prof. Sai Dumbre delivered a vote of thanks.

**FOCAL POINT**

The department of animation started a new festival named Focal Point, which celebrates expression through the visual medium such as photography, cinematography and shadowplay. The festival took place on 24th and 25th August. Many students , from animation and other courses as well took part in the photography competition. The students from FY Bsc animation put up a shadow puppetry show which received an overwhelming response. All shortlisted entries for the photography competition were displayed around the assembly hall. The students from FY BVoc Animator put up different models on the topic ' Evolution of Camera '. Apart from the activities and exhibition , two seminars were also organized for the students, which had a great reception from the students and turned out to be very informative and interactive. Overall the students had a great time and learned a good couple of things.

**AURA**

Aura is a creative exhibition hosted by the animation department for animation students to display their creativity through paintings, models and photos. This year, the theme of AURA as decided by the kids was ' Nostalgia '. From retro games to the good old cartoons, from old school movies to the contemporary, the artworks covered in all the above. The students created large scale models of shinchan and pikachu to be taken photos with. They created different selfie points which received a good response from the viewers. For the inauguration of the event, we had invited ChetanChawda , who is a renowned actor and filmmaker as a chief guest.

**KARTIKEYA RINDANI Memorial Event**

The Department of Animation collaborated with the Department of computer science, Co-organized the annual KartikeyaRindani Memorial Event. The event took place on 2nd, 3rd and 4th of February, 2023. The event started with the screening of Short films received for the short film competition, followed by a programming competition on 3rd and a Techno-quiz on the 4th. A group of students from T.Y.Bsc Animation won First prize in the Quiz Competition. The event ended with a cultural program with performances from various students in various categories like dance, music, drama etc.

**MOOC Courses**

The Department of Animation has developed following MOOC courses for e-content Development Cell of Modern College of Arts, Science and Commerce (Autonomous), Shivajinagar, Pune 5 as a part of Autonomous syllabus for Second Year UG students and Part 2 PG students.

1. Interactive session organized on 3rd November 2022, Thursday of Nobel **Laureate Sir Richard Roberts (Nobel Prize in Medicine 1993, for discovery of "Split Genes in Eukaryotes").**
2. **The University of Melbourne** this year also conducted a **"Teachers training program along with Research Camp"**. The University offered the BSc Blended students' opportunity to participate in Biology oriented Research Camp and a teacher development program for the accompanying faculty members. This program was aimed at enhancing delivery of the Blended curriculum and included sessions on science pedagogy and STEM teaching strategy.
   This **Research Camp** was attended by Five students (T.Y. B.Sc. Blended) and two teachers of this course Ms. Divya Mistry (Biology) and Ms. Ankita Nahe (Physics)
3. **The University of Melbourne, Australia** recently launched a Dual **Degree Programme** in India. We are now a member of Australia's very large Indian diaspora.

We are the pioneers of The University of Melbourne's three-year **Bachelor of Science (Blended)** programme. The programme is about to take a next step with the upcoming National Education Policy of our Country. **UoM** is already offering a three-year **Bachelor of Science (Blended)** programme in coordination with our institution back in **2016**, in which the curriculum is co-designed and quality assured by **UoM.**

4. The Department of Biotechnology in collaboration with Department of German had initiated an exchange program with a school in Germany. The exchange was done under the banner of the 'MINT Project' of PASCH with the partner school in Germany called the Johanna Wittum School in a town called Pforzheim. The first phase of this project had completed with great enthusiasm and motivation from the institutes, their teachers and students. 10 students from Modern College studying Science in class 11 (now in class 12) and first year of graduation in Biotechnology (now in the second year) have been assigned with a student partner from the German School. Pertaining to the ongoing Covid19 crisis, the first project was mutually decided to be conducted in an online manner.

6.3 Quality improvement strategies adopted by the Department for each of the following:

6.3.1 Curriculum Development: The Board of studies members for curriculum development includes the representative from alumni and industry which gives remarks based on their experiences in industry. So the feedback from them is useful in construction of syllabus.

1. 6.3.2 Teaching and Learning: Use of ICT in Teaching Learning Process, Innovative Teaching Methods, Innovation in Testing and Evaluation Methods:
   - Power point presentation
   - Online lectures
   - Seminar
   - Assignments
   - Models and Posters
   - E content – Audio and Videos

   6.3.3 Examination and Evaluation: Evaluation of the students by not only conventional methods but we also conduct seminars, give assignments and conduct orals for overall performance evaluation of students.

   6.3.4 Research and Development:
   - We conduct seminars and conferences on national and international levels for encouraging students to improve research culture in the department.
   - We published the first volume of the departmental research journal "BiotechSearch" for publication of students project work and reviews. Review writing is compulsory for MSc II students which we publish in the journal and the research papers based on their project work is also published in the departmental journal.

   6.3.5 Library, ICT and physical infrastructure / instrumentation:
   - College central library has many books available related to Biotechnology subject for which students has access.

   ICT facility:
   - Number of Desktops: 19
   - Number of Laptops: 2
   - Number of LCD Projectors: 4
   - Number of Digital Classrooms: 2
   - Number of Printers:4
   - Number of Scanners:3

   6.3.6 Human Resource Management Department has sufficient teaching and non-teaching staff members. The list of them attached herwith:

6.3.7 Faculty and Staff recruitment: Staff members are recruited through proper advertisement and through interviews by selection committee.

6.3.8 Industry Interaction / Collaboration: -

6.3.9 Admission of Students:

1. Admission of FY BSC Biotechnology and Blended students is strictly on the merit basis.

2. Admission to MSc Biotechnology is through entrance examination conducted by the college based on the BSc biotechnology syllabus.

6.11 Activities and support from the Alumni Association:

1. Department has Alumni association and every year we conduct alumni meet. We call alumni from various batched to interact with current students and guide them about the opportunities available for the future.

2. We also conduct the guidance session by these students every year for current students.

6.12 Activities and support from the Parent – Teacher Association:

1. Department every year conducts Parent- Teacher Association meet to give overview of course structure, examination pattern and other activities conducted by the department.

6.13 Development programmes for support staff: NIL

6.14 Initiatives taken by the institution to make the campus eco-friendly: Green Campus initiative

**Criterion – VII**

**7. <u>Innovations and Best Practices</u>**

7.3 Give Best Practices of the Department:

1. LEARNER-CENTRIC PRACTICES:

- Career Guidance and Counselling: Career guidance for their higher education to students by conducting their interaction to alumni students and experts from the field.
- Placement: We conduct campus interviews for helping the students to get jobs at Private and Public sector organizations.
- Training Programme: We arrange training programs for the Students to develop soft skills and make them employable.

- Short Term Courses: We conduct short term courses with an objective of developing job-skill in demanding sectors of Biotechnology.

7.4 Contribution to environmental awareness / protection:

1. Green campus initiative
2. Reduction in use of plastic in laboratory
3. Recycling of plastic wares in laboratory

7.6 SWOC Analysis of the Department

**Strength:** Qualified enthusiastic and young staff members

**Weakness:** Less space and modern equipments.

**Opportunities:** Strengthening of Research culture and placement of students.

**Challenges:** Space constraints

**4. <u>Plans of Department for next year :</u>**

1. Research Centre in Biotechnology
2. Strengthing campus placement activity
3. Implementation of New education policy

- The Department of Biotechnology, established in 2005 actively conducts many activities every year. In addition to classroom teaching students of F.Y.B.Sc. to M.Sc II were encouraged to participate in various co-curricular and extracurricular activities along with the staff members. This year also the department conducted the annual event "Biotech Fest 2022-23" inter-college and Interdepartmental Competitions on 25th-28th Feb 2023. Different competitions were conducted in biotech fest like Alumni meet, Guest lecture, Petri plate art, Fuel less cooking, Salad decoration, Biorangoli, Poster and Navinya. It helped to explore talent and aptitude for co-curricular activities among students. All staff members were involved in organizing the Biotech Fest along with non-teaching staff members. The session began on 25th Feb. 2023 with an Annual Alumni Meet at 11.00 am and ended with offline prize distribution on 28th Feb 2022. Approximately 150 students enrolled for various events. For the alumni meet there was an enthusiastic response from alumni from different batches. Starting from the first batch to current batch students were present for the event. The meet was through online and offline mode hence the students from all over the country and overseas could participate in it. The Parent teacher association meeting was also conducted this year to initiate the communication between faculty members and parents on 17th September 2022. Students and teachers were introduced to outline, total number of theory and practical courses, internal and external marks distribution and online and offline pattern of examination for FY biotechnology and FY blended courses. All the staff members actively involved in introducing themselves and giving information to students.
- The main highlight of the department this year was an interactive session organized on 3rd November 2022, Thursday of **Nobel Laureate Sir Richard Roberts (Nobel Prize in Medicine 1993, for discovery of "Split Genes in Eukaryotes").** Around 700 students and faculty members from different Departments of Modern College Shivajinagar Pune 05, Modern College Ganeshkhind, Pune-53, Department of Biotechnology, Wadia College, MIT, Modern College of Physiotherapy, Modern College of Pharmacy, Nigdi and Moshi were

present. Sir Richard Roberts talked about his scientific journey starting from his PhD to Nobel Prize in medicine with insights to students on Research.

- **The University of Melbourne** this year also conducted a **"Teachers Training Program along with Research Camp"**. The University offered the BSc Blended students' opportunity to participate in Biology oriented Research Camp and a teacher development program for the accompanying faculty members. This program was aimed at enhancing delivery of the Blended curriculum and included sessions on science pedagogy and STEM teaching strategy.
- This **Research Camp** was attended by five students (T.Y. B.Sc. Blended) and two teachers of this course Ms. Divya Mistry (Biology) and Ms. Ankita Nahe (Physics). The camp was inaugurated in a formal function on 21st November 2022. The daily schedule included two sessions and a Faculty meeting after sessions. Each session consisted of a lecture followed by hands-on training. The teachers were associated with all the sessions in their own stream in addition to it they had separate schedules for their teachers training program. The teacher training program included talks on science pedagogy and STEM teaching strategy such as active learning especially in the fields of Conservation, Climate change, Biochemistry, Plant and Animal Biotechnology. An introduction to different novel instruments and methodologies relevant to scientific investigation in the above areas was also a part of the program. Teachers along with the students visited their Physics lab, Zoology lab, Museum, Botany lab, Herbarium, Microbiology lab, Botanical Garden, Animal facility Unit, Advanced instrumentation facility which had Electron microscope, TEM, SEM, Cryosectioning Unit, Ultra Sectioning Unit, Fluorescent Microscope, Field Emission Scanning Electron Microscope etc. This research camp was a very inspiring and enriching experience for us. It made us aware of the latest ongoing research and we greatly appreciated the free scientific environment.
- Another milestone for our Department this year was that for B.Sc. Blended The University of Melbourne, Australia recently launched a Dual Degree Programme in India. We are now a member of Australia's very large Indian diaspora. We are the pioneers of The University of Melbourne's three-year Bachelor of Science (Blended) programme. The programme is about to take a next step with the upcoming National Education Policy of our Country. UoM is already offering a three-year Bachelor of Science (Blended) programme in coordination with our institution back in 2016, in which the curriculum is co-designed and quality assured by UoM. Now we are moving towards the agreement for B.Sc. Blended Dual Degree Program. The course is smoothly running in the Department of Biotechnology.
- The Department of Biotechnology in collaboration with the Department of German had initiated an exchange program with a school in Germany. The exchange was done under the banner of the 'MINT Project' of PASCH with the partner school in Germany called the Johanna Wittum School in a town called Pforzheim. The first phase of this project was completed with great enthusiasm and motivation from the institutes, their teachers and students. 10 students from Modern College studying Science in class 11 (now in class 12) and first year of graduation in Biotechnology (now in the second year) have been assigned with a student partner from the German School. Pertaining to the ongoing Covid19 crisis, the first project was mutually decided to be conducted in an online manner. The idea of this virtual exchange is a collaborative work in the form of small research projects between students from both institutions on topics from the area of Biotechnology. In the next phase of this program the students from German School will be visiting India and especially Modern College for physical exchange in the academic year 2023-23.
- The Department of Biotechnology organized several guest lectures and talks from different fields of Science like Pharmacy, Industrial processes, Patents. Eminent Scientists from different research institutes have come to deliver their guest talk in the department especially for B.Sc. Biotechnology and Blended students. The students also attended a few lectures organized by Savitribai Phule Pune University departments under various schemes.

The list of Events and guest lecturers organized by the department in the year is as follows:

1. 07-10-2022 – IISER outreach program students Systems – Biology Research Program Awareness
2. 29-11-2022 – Speaker from Asmita Foundation – Cervical Cancer Awareness Program
3. 12-01-2023 – Mr. Shivaji Chavan,Assistant Manager , Serum Institute of India Pvt. Ltd., Pune – Overview of Biotechnology industry and career prospects
4. 14-01-2023 – Dr. Shantanu Ozarkar, Assistant Professor, Department of Anthropology, SPPU, Pune – Lecture on Human Evolution
5. 25-02-2023 – Dr. G.S. Basutkar, Retired Professor, Government Grant Medical College Byculla, Mumbai-8 – Thalassemia and Sickle Cell Anaemia Awareness campaign
6. 22 to 25-08-202203 to 06-10-202211 to 14-10-202219 to 22-12-2022 – Dr. Sameer Padhye, Biologia LLP, Ahmednagar, Pune. – Introduction to MS-Excel and Google sheets
7. 09 to 12-01-2023 – Dr. Sameer Padhye, Biologia LLP, Ahmednagar, Pune. – "R" for Biology

Every year our department organizes several educational visits for both UG and PG classes. The list of educational visits is as follows:

1. 25-07-2022 – Students participated on Plantation Drive organized by Savitribai Phule Pune University at NDA Hills, Pashan, Pune.
2. 07-11-202224-02-2023 – Visit to Someshwar Sugar Factory and Distillery – M.Sc. Biotech T.Y. Biotech
3. 27-09-2022 – Honeybee visit for FYB.Sc. students
4. 18-08-022 – Visit to the Paraplegic Center, Khadki for donation to the Army Camp members by the students (Donation Camp)
5. 16 & 17-01-2023 – Green Array Genomic Research & Solution Pvt. Ltd., Kothrud.
6. 18-01-2023 – MITCON Consultancy and Engineering Services
7. 06-02-2023 – Taljai Hills Visit for Biotech Students for Biodiversity studies.

**Campus Placement:**

1. 18-04-2023 – BIOXIA (For M.Sc. and B.sc. students)
2. 12-04-2023 – M J BIOFARM (For M.Sc. students)
3. 10-01-2023 – TCS NQT (For M.Sc. students)

- The innovation competition "Navinya" was organized to explore the talent among the undergraduate and postgraduate students. 10 entries were received for the competition out of which three innovative ideas were chosen for the second round of presentations as a part of Biotech Fest and winners distributed with medals and certificates.
- Department organized a "Two Day workshop on Germplasm Conservation Using Biotechnology" in association with the Board of Students Development, SPPU on 21st and 22nd February 2023. Various techniques were explained and students were also given demonstration of conserving seed by Plant Tissue Culture. 2023 was the International Year of Millets so on that occasion Dr. Rama Phadke also displayed various types of millets and their importance.

The achievements of staff members and students this year are as follows:

**Dr. Rama Phadke ( HOD):**

a. Organized a "Two Days workshop on Germplasm Conservation Using Biotechnology" in association with Board of Students Development, SPPU on 21st and 22nd February 2023.
b. Working as Facilitator in student exchange program with German Institute and Biotechnology Department along with German Department of Modern College.
c. Published a paper entitled "Extraction and application of plant dye in microbial staining" in IJSDR Dec 2022.

**Dr. Sharad Goswami:**

a. Organized a visit to the Paraplegic Rehabilitation Unit. Kirkee Pune

b. Organized a 2 day workshop on "Germplasm conservation using Biotechnology"Funded by student welfare SPPU on 21st and 22nd February 2023 at MCASC, Pune-05

c. Organized a visit Taljai Forest Pune

d. Organized a visit to Someshwar Sugar Fermentation Factory

e. Attended the two day National Conference on NEP 2020 at MCASC, Pune-05 on 14th and 15th February 2023.

**Ms. Radhika Velankar:**

a. Received a Research Fellowship from Sakal India Foundation, Sakal Papers of Rs. 40,000/- for a period of two years (2022- 2024)

b. Research Paper accepted for publication in Ecology, Environment and Conservation Journal (UGC CARE List Group II, ISSN 0971 - 765) for December 2022 issue.

c. Gave an oral presentation on the research work entitled, ' Effect of Imidacloprid on Germination and Biochemical Nature of Cowpea (*Vignaunguiculata*L. Walp) and Sunflower (*Helianthus annuus* L.)' in an International Conference on "Biotechnology in Conservation and Sustainable Development" organized by Department of Biotechnology, Modern College, Pune-05 from 1st to 3rd February 2022.

d. Working as a Facilitator in the student exchange program with the German Institute and Biotechnology Department along with the German Department of Modern College.

**Ms. Mukta Kothari :**

a. Attended one day Symposium on "Dissertation-Plan, Design and Execute" organized by Department of Microbiology, MCASC, Pune-5 and Association of Microbiologist of India, Pune Unit on 25th March, 2023.

b. Attended a 6 day FDP on " Animal Tissue Culture Techniques" organized by Rajiv Gandhi Institute of IT and Biotechnology, Bharati Vidyapeeth, Katraj, Pune. from 3rd April to 8th April 2023.

c. Member of German Student Exchange Programme, also guided Ms. Shreya Dorge and Ms. Prerna Jadhav for the project on " Bioethanol Production from Kitchen Waste"

d. Organised a Guest Lecture of Mr. Shivaji Chavan, Assistant Manager, Serum Institute of Pvt. Ltd. , Pune on " Overview of Biotech industry and career prospects " for UG and PG students

e. Organised Guest Lecture of Dr. Shantanu Ozarkar, Assistant Professor, Department of Anthropology, SPPU, Pune on " Human Evolution " for UG and PG students.

f. Coordinated for online "Guidance session by Alumni for overseas applications" for TY Biotechnology and Ty Blended students.

g. Organizing member of Alumni meet 2022-23 and Biotech fest 2022-23

h. Organizing member of 2 days workshop on "Germplasm conservation using Biotechnology" on 21-22 February 2023 at MCASC, Pune-05

**Ms. Pallavi Bhoine:**

a. Organizing member of 2 day workshop on Germplasm conservation using Biotechnology On 21-22 February 2023 at MCASC, Pune-05

b. Organizing member of Alumni meet 2022-23 and Biotech fest 2022-23

**Dr. Sukhada Akole :**

a. Published two research papers in national journals

b. Conducted industrial visit of TY Biotechnology class to Katraj Dairy and Someshwar distillery.

c. Conducted industrial visit of M. Sc. II Biotechnology class to Someshwar sugar factory and distillery.

d. Conducted field visit of SY Biotechnology class to Taljai Tekdi.

e. Organizing member of Alumni meet 2022-23 and Biotech fest 2022-23

**Dr. Pooja Sane:**

a. Organized a visit to the Paraplegic Rehabilitation Unit. Kirkee, Pune

b. Attended the two day National Conference on NEP 2020 at MCASC, Pune-05 on 14th and 15th February 2023.

c. Attended one day Symposium on "Dissertation-Plan, Design and Execute" organized by Department of Microbiology, MCASC, Pune-5 and Association of Microbiologist of India, Pune Unit on 25th March, 2023.

d. Organizing member of Biotech fest 2022-23 on 25 – 28 February 2023

e. Organizing member of field visit for SY BSc Biotechnology students at Taljai Tekadi on 6th February 2023

f. Conducted industrial visit of M. Sc. II Biotechnology class to MITCON research laboratory

**Ms. Ankita Nahe:**

a. Attended B.Sc. Blended Research and STEM teaching program at the University of Melbourne, Australia during 18-28th November 2022.

b. Attended 6 days FDP on "Innovations in Materials and Processing for Energy, Environment and Electronics" organized by MMCOE in association with C-MET , Pune from 7-11th February 2023.

c. Attended International Youth Conference at Kanha Shanti Vanam, Hyderabad in August 2022.

d. Organizing member of 2 days workshop on Germplasm conservation using Biotechnology On 21-22 February 2023 at MCASC, Pune-05

e. Attended a workshop on " Manufacturing Rechargeable LED Bulbs" conducted by Dept. of Physics in collaboration with Avenue Scientific , Pune on 18th January 2023.

f. Attended a two day National Conference on NEP 2020 at MCASC, Pune-05 on 14th and 15th February 2023.

g. Attended a one day Symposium on "Dissertation-Plan, Design and Execute" organized by Department of Microbiology, MCASC, Pune-5 and Association of Microbiologist of India, Pune Unit on 25th March, 2023.

h. Organizing member of Biotech fest 2022-23

**Ms. Divya Mistry:**

e. Conducted industrial visit of M. Sc. II Biotechnology class on 7 November 2022 to Someshwar sugar factory and distillery.

**Student's Achievements:**

**S.Y. B.Sc. Blended (Bioscience):**

**Mrunmayee Lele**

a. Debate Competition (YouCAN Debate Competition) Runner Up (2nd Place)

b. Participated in Poster-Making in Biotech fest

c. Participated and received a certificate in IISER Biostats Course

d. Participated and received a certificate in IISER Molbio Course

e. Participated and received a certificate in NPTEL Course in Machine Learning in Biology using WEKA

f. Participated in a course in Introduction to MS Excel

**Dipti Mishra**

a. NCC :PRE-RDC ,Inter Group Competition (represented PUNE group) 2/09/2022-24/11/2022 Participated twice in nationals for yoga

**Advika Dhanorkar**

a. German Language A2 Level completed

b. Main anchor at KIDZEE Sinhagad Road Annual Day

c. Completed course of Introduction to MS Excel and Google sheets

d. Completed a 2 day course on Germplasm Conservation

f. Attended workshop in IISER (Dot ELISA)

g. Participated in NIUS (HBCSE) Biology camp (March 2022)

h. Participated in 'Symposium-The Microbial world' at CSIR(NCL)

**Shreya Date**

a. Secured second place in fuel-less group cooking competition(Biofest) held by the department, Participated and received a certificate in NPTEL course in machine learning in biology using WEKA

**Khushi Chokshi**

a. Got internship at IISER pune biology dep. Won 3rd prize at biotech fest in bio rangoli and poster making. Completed a course on genomic variant and interpretation by CSIR institute of genomics. Completed a skill development course on excel by modern college biotech dep.

**Rucha Kulkarni**

a. Won 3rd prize in Poster Making Competition, 3rd prize in Rangoli Making Competition in Biotech fest conducted by Department of biotechnology, Modern College
b. Participated in petri plate art in Biotech fest conducted by Department of biotechnology, Modern College.
c. Did a skill development course in MS Excel and Google sheets and got a certificate for the same.

**Nidhi Joshi**

a. German Language certificate course, Debate competition ( YouCAN Debate) Runner up (2nd place)

**Smruti Mhalgi**

a. Got selected for the JNCASR Summer Research Fellowship at the National Brain Research Centre, Manesar
b. Secured 2nd place in Intercollege debate competition (YouCAN)
c. Secured 2nd place fuel-less cooking competition organized by biotech department
d. Participated in a workshop on 'Germplasm conservation' organized by Biotech Department

**Harshita Kedar**

a. Participated in Poster-Making and fuelless cooking in Biotech fest
b. Participated in a course in Introduction to MS Excel
c. completed and received certificate and LoR for 60 days of training & internship programme held by The Nature's Eye

**Nandini Patil**

a. Completed intensive certificate course in german language (by Department of Foreign Language, SPPU)
b. Intercollege debate competition (YouCAN Debate competition) runner up
c. Participated in biotech fest held at MCASC
d. Attended a two day workshop on Germplasm conservation

**Raaj Nambiar**

a. Participated in 2-day Germplasm conservation workshop
b. Participated in Fuelless cooking in Biotech fest
c. 3rd place in micro-plating in Biotech Fest

**Mahek Jodhavat**

a. Participated in study program on forensic science
b. participation in webinar on nutrigenomics
c. did an skill development course in MS excel and Google sheets
d. participation in webinar on pharmaceutical production management
e. participated in study program on genetic engineering using CRISPR technology
f. participation in webinar on industrial biotechnology

**Shreyash Gijare**

a. completed a course on introduction to excel by modern college. Participated in biotech fest.

**Aryan Nikam**

a. completed a course on introduction to excel by modern college. inter college basketball participant and team leader .participated in biotech fest .Participated in maharashtra state OLYMPICS for basketball, participated in MIT college basketball match .

**T.Y. B.Sc. Biotech:**

1. Ruturaj Deepak Kardode

a. 3 rd rank in NAVINYA Competition Biotech fest

**Sunidhi Govind Kela**

a. 3 rd rank in NAVINYA Competition Biotech fest

b. Recipient of Geeta Israni Scholarship 2022-2023

**Diwakar Bhowmik**

a. 3 rd rank in NAVINYA Competition Biotech fest

**Shivani Manish Mungi**

a. Visharad Completion (Graduate of Kathak)
b. 3 rd rank in NAVINYA Competition Biotech fest

**Siddhi Santosh Shingavi**

a. Recipient of Geeta Israni Scholarship 2022-2023

**Shriya Joshi**

a. Recipient of Geeta Israni Scholarship 2022-2023

**Vaishnavi Lohat**

a. Recipient of Geeta Israni Scholarship 2022-2023
b. 2 nd rand in NAVINYA competition Biotech fest

**S.Y.B.Sc.Biotech:**

**Prerna Anil Jadhav**

a. NIUS Chemistry Camp 18.1 organized by HBCSE.(Participated in online- offline camp)
b. Navinya Innovative Business Proposal Competition held during Biotech Fest 2023 (1 st Prize)
c. HK Firodia Online Science and Technology Quiz Participation
d. Virtual Inter-school exchange Programme German exchange Program (Participation)
e. Interactive session of eminent scientists of India: Tessy Thomas and Gagandeep Kang, organized by HK Firodia Memorial Foundation. (Participation)
f. Vyapar Mela 2023 (Participation)
g. Participated in Biotech Fest 2023 : Petri Plate art, Poster Making-(3 rd Prize), Biorangoli, Fuelless cooking, Salad decoration-(3 rd prize)
h. EduYouth meet participation University NSS program Palkhi inauguration program-NSS
i. Fall cohort Cell biology course Scienspur – Lakshmi Mittal and Family south Asian Institute at Harvard University funded.

**Abhijeet Tukaram Jagtap**

a. First prize in bio rangoli event
b. Participated in NSS camp
c. Participated Germplasm workshop

**Shreya Kiran Dorge**

a. NIUS Chemistry Camp 18.1 organized by HBCSE.
(Participated in online- offline mode)
b. Navinya Innovative Business Proposal Competition held during Biotech Fest 2023 (First Prize)

- HK Firodia Online Science and Technology Quiz (Top 50 winners)
- Participation in Virtual Inter-school exchange Programme
- Attended Interactive session of eminent scientists of India: Tessy Thomas and Gagandeep Kang, organized by HK Firodia Memorial Foundation.
- Vyapar Mela 2023 (Participation)

**Shantanu Gaikwad**

- Participation in Purushottam Karandak & Bharat Karandak- Drama - Gabhara Achievement - 3rd prize (Sanjeev Karandak) & 1st prize (Bharat Karandak) respectively.

a. 1st prize in solo dance competition in Art week organized by art circle at modern college of arts, science and commerce
b. Participation in Firodiya karandak 2023 for Drama - Morya : Ek shevat survaticha (Top 35)
c. Atal Karandak ( Panvel ) -Participation.

d. Participation in Vinoduttam Karandak - Drama - Neerop
e. Mounantar Karandak - Participation Drama - Until I found you
f. Sarpotdar Karandak - Participation.

**Prasad Sambhaji Landage**

- Participating in the Consulting Masterclass by Soil

a. Attending Human resource skill workshop
b. Participating in the EduYouth Meet
c. Successfully completed German student exchange program
d. Participated in vyapar mela
e. Participated in Biotech Fest Petri plate art ( 3rd prize) Bio Rangoli Salad decoration
f. Successfully completed Germplasm conservation workshop

**Kumud Chandere**

- Participation in:Germplasm workshop

a. Biotech fest-Bio Rangoli, Salad decoration
b. Participated in EduYouth meet
c. 1st prize: Marathi Rajyabhasha Essay Writing Competition
d. Israni Foundation Scholarship

**Gayatri Sanjay Sarode**

- Participation in Germplasm workshop

a. Participation in Biotech fest- Bio Rangoli, Salad decoration
b. Participated in EduYouth meet
c. Selected for Israni Foundation Scholarship

**Advait Bendre**

- 3rd place in petri plate art (Biotech Fest)

a. Participation in Vyapar Mela
b. Participation in EduYouth Meet
c. Participation in GermplasmWorkshop

**Sejal Sachin Tavhare**

a. Participation in Biotech Fest- Petri Plate art, Biorangoli, Salad decoration, Fireless Cooking, Poster Making-Second Prize in Petri Plate art (Biotech Fest)
b. Successfully completed German Exchange Program
c. Participation in Vyapar Mela
d. Participation in EduYouth Meet
e. Participation in Germplasm conservation workshop
f. Got Israni Foundation Scholarship

**Tanvi Santosh Kale**

- Participation in Biotech Fest- Petri Plate art, Biorangoli, Salad decoration, Fireless Cooking, Second Prize in Petri Plate art (Biotech Fest)

a. Participation in Vyapar Mela
b. Participation in EduYouth Meet
c. Participation in Germplasm conservation workshop

**Pranita Gadade**

- Participation in biotech fest-Poster making

a. Participation in Vyapar Mela
b. Participation in EduYouth Meet
c. Participation in Germplasm conservation workshop

**Prachi P. Kulkarni**

- Participation in Art week competition organized by art circle- Rangoli, Mehandi, storytelling- 3rd prize in story telling competition

a. Selected in top 32 for Bharatiya Shikshan Mandal Yuvaayam, Subhash Swaraj Sarkar Shodh Patra Lekhan competition

b. Participation in Marathi Bhasha Samvardhan Pandharwada-speech, essay writing (2nd prize in speech competition)

c. Biotech fest Participation in : Bio Rangoli, Poster making, Fuel without cooking, Salad decoration, Navinya competition

d. Participation in Germplasm conservation workshop

**Renuka Annasaheb Mitkari**

- Participation in Vyapar mela

a. Participation in Germplasm conservation workshop.

b. Participation in EduYouth meet

**Shravani Sanjay Shahane**

- Successfully completed course of introduction to MS-Excel and google sheets

a. Participation in Vyapar Mela

b. Participation in EduYouth Meet

c. Participation in Germplasm conservation workshop

**Atharv Deshmukh**

- Participation in vyapar mela

**Sakshi Vinod Bharvirkar**

- Participation in Vyapar Mela

a. Participation in EduYouth Meet

b. Participation in Germplasm conservation workshop

**Preeti Shinde**

- Participation in Vyapar Mela

a. Participation in EduYouth Meet

b. Participated in Biotech fest- Poster making, Salad making competition

c. Worked as writer for NSS blind students

d. Received certificate for participation in Germplasm conservation workshop

e. Successfully completed Computer education course (introduction to ms word and ms Excel)

**Krishna Rahul Shrimali**

- Participation in Inter College Cricket League

a. Participation in Germplasm Conservation workshop

b. Participation in vyapar mela

**Vaishnavi Vinod Patil**

. Participation Germplasm conservation workshop

**Vinayak Jadhav**

- Participated in Biotech Fest Bio Rangoli (1st Prize), Salad decoration

a. Participation in Vyapar Mela

b. Participation in Germplasm conservation workshop

**Chanchal Pravin Chaudhari**

Participated in

1. Independence day (Dance)
2. Art week organized by art circle (Dance competition))

b. Participated in Biotech fest Biorangoli, Navinya Competition

- Participation in Germplasm Conservation Workshop

**Sakshi Nitin Bhavsar**

- Participated in Biotech Fest Bio Rangoli (1st Prize), Salad decoration

a. Participation in Vyapar Mela
b. Participation in EduYouth Meet
c. Participation in Germplasm conservation workshop

**Pranjali Dilip Gangurde**

- Certificate course “ Introduction to MS-Excel and Google sheets” by Dr. Sameer Padhye

a. Certificate course “Introduction to R” by Dr. Sameer Padhye
b. Certificate for two days workshop on Germplasm Conservation using biotechnology

**Manasi A. Pangarkar**

- First Prize in Biotech Fest for “Petri Plate Art”

a. Third Prize in Dept of Biotechnology with Science Association event for “Stationary Planters”
b. Certificate of Appreciation for participating in “National level Indian Art Contest”
c. Letter of Recognition for participating in “International Art Contest”

**Amisha Mhetre**

- Certificate course “ Introduction to MS-Excel and Google sheets” by Dr. Sameer Padhye

**Rasila.V. Rajpurohit**

- Second prize in Biotech Fest for “ bio rangoli”

a. Certificate course “Introduction to MS- Excel and Google sheets” by Dr. Sameer Padhye
b. certificate for two days workshop on Germplasm Conservation using biotechnology

**Radhika Rajale**

- Certificate course “Introduction to MS- Excel and Google sheets” by Dr. Sameer Padhye

**Snehal Sonawane**

- Certificate course “ Introduction to MS-Excel and Google sheets” by Dr. Sameer Padhye

a. Certificate course “Introduction to R” by Dr. Sameer Padhye
b. Certificate course “ Immunotechniques “ workshop
c. Certificate course “ statistical and computational analysis of biological database

**Gauri Vaikunthe**

- Certificate course “Introduction to MS- Excel and Google sheets” by Dr. Sameer Padhye

a. prize in Navinya- Business Proposal Competition Modern college
b. Certificate Achievement TCS iON Career Edge
c. Certificate for attending two days workshop on Germplasm Conservation using Biotechnology

**Anushka Agavane**

- Second prize in biotech fest for “Biorangoli”

a. Certificate course Introduction to MS- Excel and Google sheets by Dr. Sameer Padhye

**Sneha Sapkal**

- Certificate course Introduction to MS-Excel and Google Sheets by Dr. Sameer Padhye

**Abhishek Vinod Khanzode**

- Certificate course Introduction to MS-Excel and Google Sheets by Dr. Sameer Padhye

a. Certificate course Introduction to R by Dr. Sameer Padhye
b. Certificate for attending two days workshop on Germplasm conservation using Biotechnology

**Pranali Pandit**

- Certificate course Introduction to MS-Excel and Google Sheets by Dr. Sameer Padhye

**Dhanya M H**

- First Prize in Biotech Fest for Petri Plate Art

a. Certificate course Introduction to MS-Excel and Google Sheets by Dr. Sameer Padhye

**Snehal Sonawane**

- Certificate course Introduction to MS-Excel and Google

a. Certificate course Introduction to R by Dr. Sameer Padhye
b. Certificate course Immunotechniques workshop

7.6 SWOC Analysis of the Department

Strengths :

1. More than 80% staff has Doctoral Degree
2. Well equipped laboratories
3. Research center

Weaknesses:

1. Limited space availability compared to strength of the students

Opportunities:

1. Scope for more research publications.
2. Scope for getting funds through research projects
3. Attracting more students to opt for Botany as the Principal Subject.

Challenges:

1. Getting 100% attendance in all the classroom and lab sessions.

8. **<u>Plans of Department for next year</u>**

1. Internship projects to be given to the students
2. Arranging exhibition on wild vegetables
3. Arranging a lecture on Career guidance
4. Organizing different competitions for students
5. Student's participation in the Avishkar competition held by the SPPU, Pune.

After two years of the Covid-19 pandemic; students, teaching faculty and nonteaching staff were excited to begin the academic year 2022-2023 in fully offline mode. The semester began from 20th June 2022. Since the previous academic year got extended, pending practical exams were conducted in the month of June. From July month regular lectures and practicals for third year and from August regular lecture and practicals for second year and first year started. As decided in departmental IQAC meetings, different co-curricular and extracurricular activities were conducted for UG and PG students. ICT enabled teaching and learning process was

continued. Students from UG and PG were encouraged to carry out research projects and participate in various competitions. Scheduled study tours and visits were organized.

The details of the activities and achievements are as follows

**Activities**

**Co-curricular and Extracurricular activities**

- Skill development course in Tissue culture was conducted by Dr. U.R. Wayase for SYBSc students where they are given hands-on training in various aspects of tissue culture.

- Guest lecture on the topic of Hydroponics by Dr. Suresh Dhumal, was arranged on 2nd February 2023. It was organized for the students of FYBSc, SYBSc and TYBSc.
- Nutrifest carnival under experiential learning – It was conducted for SYBSc students as an extension activity for the papers on Medico botany and Pharmacognosy as well as Plant Biochemistry and Biotechnology. On 20th January 2023 students displayed exhibits on nutritional and medicinal importance of plants used in our day to day life.

**Study tour and visits**

- SYBSC and TYBSc excursion tour was organized on 28th September 2022 to Biodiversity Park, Gureghar near Mahabaleshwar. Students observed species from different plant groups. They documented their observations and collected commonly growing weeds for herbarium specimens.
- FYBSc excursion tour was organized on 13th January 2023 to Bhimashankar. Students observed species of Angiosperms, different types of Lichens, documented their observations, took photographs and submitted tour reports.
- TYBSc students participated in a field visit at seed testing lab to know various procedures involved in seed testing. It was organized on 24th February 2023.

**Other activities**

- Academic and Administrative audit for academic year 2018-19 to 2020-21 was conducted on 18th October 2022
- The Biodiversity audit was conducted by Dr. Arti Goggi and Mrs. Poonam Nagarkar and submitted the report.

**Achievements**

- SYBSc students Om Sontakke, Komal Bengude, Anjali Dhote, Sharwari Narnaware and Radhika Sapar presented their project at College level and zonal level research project competition. These competitions were held on 15the September 2022 and 7the December 2022 respectively.
- Om Sontakke and Ram Chitale have received second prize at inter college model presentation competition held at Abeda Inamdar College on 4th February 2023.
- Om Sontakke and Ram Chitale have received consolation prizes at the National Science exhibition held at GMRT, TIFR, Khodad on 28th February and 1st March 2023.

- Komal Bengude and Anjali Dhote have participated and presented their model at the National Science exhibition held at GMRT, TIFR, Khodad, Tal-Junnar, and Pune on 28th February and 1st March 2023.

**By Teaching Staff members**

- The staff members from UG participated in the national conference on National Education Policy held on 14th February 2023 and 15th February 2023.
- Dr. R. B. Barmukh published a research paper in an International journal. Under his guidance Ganesh Mankar is awarded a PhD degree.
- Dr. U.R.Wayase has been recognized as a PhD guide by SPPU in Botany subject.
- Dr. Arti Goggi finished a Two week online Refresher course in Natural Science conducted by Ramanujan College, University of Delhi from 28th June 2022 to 12th July 2022. She has also participated in a workshop on Angiosperms Systematics on 9th January 2023.
- Dr. K. D. Gopale was appointed as BOS Member in Botany at S. N. Arts, D. J. Malpani Commerce and B. N.Sarda Science College (Autonomous), Sangamner. He is also a BOS Member in Botany Tuljaram Chaturchand College of Arts, Science and Commerce College (Autonomous) Baramati.
- Dr. Ravisha Sawant Published a chapter **"Microgreens and its Benefits" i**n the book named EMERGING TRENDS IN LIFE SCIENCES, Scieng Publications, Volume I, ISBN:978-81-9555557-2-7. She has received **"India Prime Icon Award 2022"** for Education & Social Leadership by Foxclues. She has worked as an editor for **"Futuristic Trends in Biotechnology " IIP** Proceedings, Volume 2, Book 27, Part 1.ISBN: 978-93-95632-88-1 Publication date 1st November 2022. Also maintained the Green house in the College premises with the help of PG students. Planted Areca Palms in College premises for beautification purposes.
- Miss. Ashwini Shivaji Gaikwad organized a one day visit to seed testing laboratory Krishi Bhavan Shivaji Nagar Pune 05 for TYBSc students to study different techniques in seed testing. She has coordinated students to present projects at GMRT (Giant Metrewave Radio Telescope) Khodad, Pune on the occasion of Science day, 28th February 2023.

6.3.8 Industry Interaction / Collaboration

6.3.9 Admission of Students

6.11 Activities and support from the Alumni Association

6.12 Activities and support from the Parent – Teacher Association

6.13 Development programmes for support staff

6.14 Initiatives taken by the institution to make the campus eco-friendly

All Experiments carried out in Laboratory are based on micro level analysis so that fewer chemicals are required and less chemical waste is generated

**Criterion – VII**

**7. Innovations and Best Practices**

7.3 Give Best Practices of the Department

7.4 Contribution to environmental awareness / protection

Department of Chemistry is running Waste water treatment plant to avoid contamination of water by chemicals thrown in laboratory basin

7.6 SWOC Analysis of the Department

8. **Plans of Department for next year**

The Chemistry Department is one of the biggest departments in the college with around one thousand junior wing students, five hundred U.G. students and hundred P.G. students. Under the leadership of Dr. H. K. Gaikwad, Head, Department of Chemistry the department of Chemistry has renovated all the laboratories.

The college has received the DST-FIST Scheme in 2019 in terms of Rs. 1.3 crore funds for development of instrumentation facility for Research and PG students. Under the valuable guidance of the college administration, the "Central Sophisticated Instrumentation Facility" of the college is created at the Department of Chemistry. This well equipped laboratory is fully functional with high end analytical instruments like GC, HPLC, IR, UV, UV-DRS spectrophotometers. Definitely with the utilization of this facility the research quality of the PG and Ph. D students will be enhanced.

In 2022 the Chemistry Department received 'Recognised Ph.D Research Centre in Chemistry' of Savitribai Phule Pune University, Pune and the Ph.D. in Chemistry course is started from the academic year 2022-2023.

**Staff Achievements**

**Dr. H. K. Gaikwad**

1. Elected as a 'Member of Senate of Savitribai Phule Pune University', Pune in January 2023.
2. Received 'Ph. D Recognised Research Guide Status in Chemical Sciences' from Savitribai Phule Pune University, Pune.
3. Published a research paper in an International Peer Reviewed Journal

   Springer Nature, Impact Factor: 2.935

   Photocatalytic hydrogen production reactor system, Vikram Uttam Pandit, Sudhir Sahebrao Arbuj, Shivaji Sandu Pandit & Harsh Kashinathrao Gaikwad, *MRS Communications*, 12, 1190-1196 (2022).

**Dr. S. S. Sakate**

1. Selected as a Member of Syllabus Re-framing Committee of 'SSC Board of Maharashtra'.
2. Written two book chapters in a book entitled 'Advances in Chemistry Research 76' published by 'Nova Science Publisher, USA.'

**i.** Single Crystal X-Ray Structures and Anticancer Activity Studies on Thiazolidine Derivatives

Rohidas M. Jagtap, Sachin S. Sakate, Satish K. Pardeshi, Masood A. Rizvi, 109-145.

ii. Synthesis, Antioxidant and Antibacterial Properties of Thiazolidine-4-Carboxylic Acid Derivatives

Rohidas M. Jagtap, Sachin S. Sakate, Satish K. Pardeshi, Masood A. Rizvi, 255-280.

3. Delivered various lectures on 'UV, IR, NMR and Mass Spectroscopy at Chemistry Ph. D Course Work Program' conducted by C-MET Pune, S.P. College Pune and B. R. Gholap College, Pune.
4. Worked as a Co-ordinator of 'Central Sophisticated Analytical Instrumentation Facility' (CSAIF) of MCASC, Pune 5.
5. Guided Eight M. Sc II Analytical Chemistry (2022-2023) students for their Post-Graduate Research Projects in M. Sc Analytical Chemistry.
6. Organized various 'Hands on Training Courses on Sophisticated Analytical Instrumentation' for P.G. Students and Teachers of MCASC, Pune 5.
7. Worked as 'Chairperson of Refresher Committee of Annual Social Gathering 2023' of MCASC, Pune 5.

**Dr. R. M. Jagtap**

1. Promoted as an 'Associate Professor in Chemistry' in June 2022.
2. Published two research paper in the International Peer Reviewed Journals

i. Springer Nature, Impact Factor: 2.22

Optical second harmonic generation studies of pure and glycine-doped bisthiourea copper/cadmium adipates, M. N. Raste, R. M. Jagtap, S. K. Pardeshi, *Journal of Materials Science: Materials in Electronics* 2022, 33 (14), 10785-10799.

3. Wrote two book chapters in a book entitled 'Advances in Chemistry Research 76' published by 'Nova Science Publisher, USA.'

**i.** Single Crystal X-Ray Structures and Anticancer Activity Studies on Thiazolidine Derivatives

Rohidas M. Jagtap, Sachin S. Sakate, Satish K. Pardeshi, Masood A. Rizvi, 109-145.

**ii.** Synthesis, Antioxidant and Antibacterial Properties of Thiazolidine-4-Carboxylic Acid Derivatives

Rohidas M. Jagtap, Sachin S. Sakate, Satish K. Pardeshi, Masood A. Rizvi, 255-280.

4. Presented a research paper entitled 'Oxalate and adipate mediated fabrication of CuO nanocrystallites for their electrochemical and supercapacitance studies' S. S. Sawant, T. V. Manolikar, M. D. Babar, S. S. Sakate, S. K. Pardeshi* and R. M. Jagtap* at the International Conference on Interdisciplinary Approach in Sciences Towards Green Technology (IASGT-2023) organized by S. M. Joshi College Hadapsar, Pune on 5th and 6th April 2023.
5. Guided three M. Sc II Analytical Chemistry (2022-2023) students for their Post-Graduate Research Projects in M. Sc Analytical Chemistry.
6. Worked as an 'External Examiner for M. Sc II Organic Chemistry Practical Examinations' at Fergusson College (Autonomous), Pune-4 on 28th and 30th November, 2022.
7. Worked as a 'question paper reviewer for T. Y. B. Sc Chemistry' at Fergusson College (Autonomous), Pune-4 in December, 2022.
8. Worked as an 'External Referee for Chemistry Ph. D. pre-submission presentation' at S. P. College (Autonomous), Pune on 17th February, 2023.
9. Attended a one day workshop on 'Academic Bank of Credit' organized by DHE, Maharashtra at Mumbai University on 17th March, 2023.
10. Attended a two days National Conference on 'Transformations and Changing perspectives in Indian Higher Education' organized by CHRIST (Deemed to be University), Bangalore on 21st and 22nd September, 2022.
11. Delivered a talk on 'Career Guidance in Chemistry' for UG-PG students on 4th March, 2023.
12. Worked as an Evaluator for 'Model Competition' organized by Microbiology Department on 25th February, 2023 at Department of Microbiology, MCASC, Pune 5.

**Prof. P.B. Suryawanshi**

1. Organized a study tour of T.Y.B.Sc Chemistry to 'Mapro Industry in the month of February 2023.
2. Attended two days seminar on NEP conducted by Modern College Pune 5 in the month of February

**Prof. Vikram G. Bhumkar**

1. Qualified CSIR-UGC NET Examination in Chemical Sciences conducted on 16th September 2022 with AIR 81
2. Attended 4th NCL-RF Annual Student Conference on 29th and 30th November, 2022 Organised by Research Students, CSIR-National Chemical Laboratory, Pashan, Pune-411008
3. Attended two days National Conference on 'Implementation of National Education Policy, 2020' Organized By Department of Computer Science, *Progressive Education Society's* Modern College of Arts, Science, & Commerce, Pune 411005 In association with Savitribai Phule Pune University, Pune under the Quality Improvement Program.

4. Worked as a member of Organizing Committee of **'Rasayani Poster Competitions'** for S.Y.B.Sc students in October, 2022 at Department of Chemistry, Modern College of Arts, Science and Commerce (*Autonomous*) Shivajinagar, Pune – 05
5. Registered for Ph. D under the guidance of Dr. S. S. Sakate (Associate Professor), Department of Chemistry, Modern College of Arts, Science and Commerce (Autonomous) Shivajinagar, Pune-05

**Prof. Ganesh Nehare**

1. Registered for Ph. D in Chemical Sciences w.e.f. 26/08/2022 under the guidance of Dr. Doke Kailas Mahadeo (Professor) in MCE Society's Abeda Inamdar Senior College of Arts Science and Commerce.
2. Worked as an External Examiner in T. Y. B. Sc. Chemistry, Practical Examination of Savitribai Phule Pune University, Pune and Waghire College, Saswad, Pune for Oct/Nov-2022 examinations at Annasaheb Magar College, Hadpsar, Pune center in January 2023.
3. Worked as an External Examiner in F. Y. B. Sc. Blended Chemistry Practical Examination for March/April-2023 examinations at Modern College of Arts, Science and Commerce, Shivajinagar, Pune-05 in January 2023.
4. Organized a one day study tour for F. Y. B. Sc. Chemistry students at 'Mapro Food Industry' on 04th February, 2023.
5. Attended two days National Conference on 'Implementation of National Education Policy, 2020' Organized By Department of Computer Science, *Progressive Education Society's* Modern College of Arts, Science, & Commerce, Pune 411005 In association with Savitribai Phule Pune University, Pune under the Quality Improvement Program.

**Prof. Amol Warangule**

1. Attended a One-day National Workshop on Research Methodology & Plagiarism on Wednesday 18th January 2023 organized by 'Swami Ramanand Teerth university'.
2. Organized a one-day study tour for F. Y. B. Sc. Chemistry Students at Mapro food industry on 04th February 2023.
3. Attended two days National Conference on 'Implementation of National Education Policy, 2020' Organized By Department of Computer Science, *Progressive Education Society's* Modern College of Arts, Science, & Commerce, Pune 411005 In association with Savitribai Phule Pune University, Pune under the Quality Improvement Program.

**Departmental Achievements**

**'Rasaynika' Poster Competition**

Rasaynika Poster Competition was organized for S.Y.B.Sc students on 1st October, 2022 at Department of Chemistry, Modern College of Arts, Science and Commerce (Autonomous) Shivajinagar, Pune-05.

**Judges for competition:**

1) Dr. Abhijit Chavan
   Professor in Chemistry, S. P. College Pune
2) Dr. Sachin Sakate
   Associate Professor in Chemistry, Modern College Pune
3) Nageshwar Khupse
   Scientist D, CMET Pune

**List of Students with Poster Topic:**

**Name of the Topic - Name of the Student**

1 Chemistry of Chocolate - Suresh Tele, Shubham Yadav

2 Chemistry of Coffee - Aditya Shinde, Nikhil Ghawate

3 Chemistry of Milk Processing - Ashish Patil, Vishakha Jadhav

4 Enantiomers in Everyday Life - Pranjal Nevase, Sakshi Kenjale

5 Green Polymer - Vrushali Waghmode, Vinita Ghunakikar
6 Chemistry Behind Soft Drinks - Samruddhi Ovhal, Khushboo Mehroliya
7 Natural Products in Everyday Life - Navya C.K., Pratiksha Ghule
8 Paint and Pigments Chemistry - Amruta Gachande, Krutika Pawar
9 Glues and Adhesives Chemistry - Siddharth More, Ekta Jadhav
10 Soaps and Detergent Chemistry - Yash Ghadage, Sanika Raikar
11 Paracetamol - Bhushan Shinde, Vaishnavi Adgale
12 Ibuprofen - Vaishnavi Pawar, Sagar adasul
13 Fiber to Fabric Chemistry - Arshiya Kulkarni, Ashwini Shinde
14 Chemistry in Energy Storage - Disha Gugale, Akanksha dhamdhare
15 Photoluminescence in Fire Flies - Anjali dhote, Om sontakke
16 Chemistry in Diet - Sakshi Kuchekar, Janvi Sapkale
17 Chemistry in Food and Preservatives - Atharv londhe
18 Poison and Chemistry - Fiza Mulani, Santoshi Bhendavadekar
19 Biomolecules - Sandip Valvi, Pramod survase
20 Chemistry behind Different Feelings - Reshma Yadav, Taskeen Shaikh
21 Chemistry in Cosmetics - Shrikant Dinde, Vaibhav Waghmode
22 Chemistry and Electronic (Semiconductor Material) - Mayuri Birajdar, Sidhant Navgire
23 Chemical Sensor - Shrutika Pawar, Kajal Solanki
24 Barbiturates - Deoshree Jawalkar, Samanaa Mutalik
25 Indicators (Natural) - Shravani Kurne, Vaishnavi Hulawale
26 Glass - Hiya Pujara, Sadhvi Paygude
27 Forensic Science - Samar Patil, Sairaj Raut
28 Synthesis of Ammonia - Ankita Ghongade, Sakshi Pawar
29 Nanomedicines - Zahara Turab, Rucha Kulkarni
30 Detecting Drug Bbuse in Sport - Harshada Deshpande, Payal Nivangune
31 Lead in the Environment - Vidhita Gaikwad, Gargi Halbe
32 Medicinal Applications of Iodine - Rutuja Zinge, Yash Visnagaraar
33 Medicinal Properties of Radium - Dhaval Takavle, Aditya Gunjkar
34 What's in your Strawberries? - Tejas Talape, Vaibhav Domale
35 Eradicating Malaria - Sejal Darekar, Aman Khilare
36 A Wine Tour - Shreya Ghanwat, Tejashree Kute
37 Insect Repellants - Om Jadhav, Vaishnavi Dhumal
38 Nitrous Oxide - Shehal Ranpise, Archie dhoka
39 Particle Size Analysis - Pushkar Khedkar, Sakshi Lohakare
40 Coffee: Friend or Fee - Pawanraje Gaikwad, Shivani Supekar
41 Hydrogen Fuel Cells - Sanket Phatangare, Shruti Patil
42 New Materials for Lightweight Aircraft - Isha Deshpande, Kunal Wayakar
43 Chemistry of diamonds - Chaitanya Nalavde, Ganesh Gaikwad
44 Nanosilver in the Environment - Raj Pawar, Neha Chothe
45 Desalinating Water for Future Supply - Sahil Kumar, Avadhoot Gaikwad
46 The chemistry of early life - Aditya Mane, Sourabh Dubey
47 The Discovery of DNA - Priyanka Korde, Aditya lonkar

48 Smart Clothing - Sujata Age, Chinmay Geet
49 Solid Oxide Fuel Cells - Lakshmi Jadhav, Arti Shinde
50 Uses of Electrochemical Cells - Kunal Chauhan, Sakshi Balghare
51 Ozone: Protector or Polluter - Avishkar Taur, Shrikar Ghorpade
52 Acid Rain - Kartiki Belsare, Chaitali Sonawane
53 Fingerprint Detection - Shravani Dhok, Shlok Ninawane
54 Modern Fibres for Future Clothing - Prasanna Waikar, Yogini Chaudhari
55 Clean Water Supply - Ram Chitale, Sindhu Nair
56 Air Analysis - Sakshi Ghabale, Sakshi Kadam
57 Explosive Chemistry - Vedant Wadke, Abhishek Daware
58 Chemistry at the Origin of Life - Aastha Singh, Samruddhi Shinde
59 Smart Glass - Dnyaneshwari Waman, Vaishnavi Ghule
60 Chemistry in Spices - Komal Bengude, Charan Mali
61 Marine Chemistry - Mohite Patil, Prathamesh Ghodke
62 Chemistry in Asteroid - Raj Pawar, Teja Vidhate
63 Catalyst - Ashruba Deshmukh

**Industrial Visit**

**Date of visit: 04/02/2023**

**Company: Mapro Food Industry Pvt Limited (Wai Industrial Area, Dist-Satara)**

An industrial visit to " **Mapro Food Industry Pvt Limited"** Wai Industrial Area, Dist.-Satara, Maharashtra was successfully organized by the **Department of Chemistry for F. Y. B. Sc Students** on Saturday, 04/02/2023. Fifty-seven students and seven faculties visited Mapro Food Industry Pvt Limited to understand how the production activity, management process, technology works and also to acquire knowledge and experience.

The industrial visit to Mapro Food Industry Pvt Limited enriched the student's knowledge and experience and also provided a great opportunity to learn practically through demonstration, interaction, exchange of Information and Employment practices which will help the students in their further career growth.

At the Department of Computer Science, we strongly believe in achieving excellence in everything we do. We are at par with the changing Technology in terms of infrastructure and knowledge. Realizing the Industry demand, we put in constant efforts in molding futuristic Technologists today. Our Alumni are found holding important positions in leading organizations across the globe.

We offer UG and PG courses in Computer Science and Computer Application. The undergraduate courses conducted by the Department are B.Sc. (Computer Science) and BCA (Science). Admission to these courses is on the basis of their performance at HSC (Science). At the Postgraduate level their performance at the entrance examination is the criteria for admission to M.Sc. (Computer Science) and M.Sc. (Computer Application) courses. We also offer a Post Graduate Diploma in Data Science (PGDDS) course of one year duration.

We have a dedicated team of Teachers, IT Experts, Alumni and non teaching staff. We also have well equipped Laboratories and classrooms. The active and highly qualified team of faculty members spare no efforts to keep the students well informed and updated with Current Trends in Technology. The students are also reciprocating with their high achievements in academics, extra curricular activities and Placements.

We are proud that students opt for our centre with highest priority. As a result, the students of Modern College, Shivajinagar, Pune-5 are at the forefront in the IT field. During their graduate and postgraduate studies they undertake the projects which are relevant to the current Industry needs. These projects have helped students to apply their theoretical knowledge to the real life situation.

Through practical demonstrations, Guest Lectures, Group Discussions etc, we bring the latest in computer technology to our students. Co-curricular activities sharpen their minds and other skills that help in overall development.

**Research Profile:**

There has been a rise in Ph.D., M.Phil., and NET/SET qualified staff members. Current Research publication details are as follows:

- Ph.D. Awarded: 2, M.Phil. Awarded: 4

- NET/SET qualified: 8
- Total Research papers published: 40
- Books published: 2
- Number of Citations in all: 30
- Academic Publications: Text Books: 12

**Placement service provided to the students:**

- The Department of Computer Science has a **Placement Cell** and runs placement activity through a Placement Cell for Post-Graduate Students and Under-Graduate Students. Prof. Manisha Suryawanshi has been working as a Placement Co-ordinator and Chairperson of the Placement Committee for the placement activity under her able guidance 95% of students from the Post-Graduate wing M.Sc.(Computer Science), MSc (Computer Application) are placed in reputed organizations.

**Any other relevant information:**

- Staff members have been actively participating in syllabus design meetings for the implementation of National Education Policy 2020
- Staff members have actively participated in the admission process of F.Y.B.Sc. (Computer Science), FYBCA (Science), M.Sc.(Computer Science) and M.Sc.(Computer Application) courses
- A committee was constituted for conducting M.Sc. (Computer Science) and M.Sc. (Computer Application) Entrance Examinations. Prof. Dr. G. R. Ekbote (Chairman, P.E. Society) Prof. P. S. Chirputkar (Chairman, CDC), Dr. A. K. Pande (Chairman, CDC), Prof. Dr. Mrs. Jyostna Ekbote (Chairperson, CDC), Principal Dr. R. S. Zunjarrao (Chairman of the Entrance Examinations Committee) provided necessary guidance and administrative support in organizing the entrance examinations smoothly
- Apart from the several events and activities conducted by our department every year, we wish to organize some more Workshops, Seminars and Conferences in future. We wish to effectively implement NEP 2020 in our curriculum. We plan to conduct some more fruitful employability enhancement programs for our students. We plan to increase the number of M.Phil., Ph.D. and NET/SET qualified staff. We feel confident about reaching higher targets within time due to our active, dynamic and highly skilled faculty members and due to constant support received from college authorities and our parent body Progressive Education Society.

6.3 Quality improvement strategies adopted by the Department for each of the following:

6.3.1 Curriculum Development -

Framming of Frame work of UG and PG under NEP2020.

Preparation of syllabus for F.Y. of UG and PG.

6.3.2 Teaching and Learning –

Prepared Lab manuals for UG and PG , Prepared PPT for UG and PG.

6.3.3 Examination and Evaluation –

Conducted internal examination.

Given assignments

6.3.4 Research and Development –

Participation in Yuva Sansodhak Scheme of college

6.3.5 Library, ICT and physical infrastructure / instrumentation

Installation of projectors in Laboratories.

6.3.6 Human Resource Management - NIL

6.3.7 Faculty and Staff recruitment - NIL

6.3.8 Industry Interaction / Collaboration - NIL

6.3.9 Admission of Students - Counselling of students

6.11 Activities and support from the Alumni Association

Alumni meet arranged,

Funds provided by Alumni

Alumni worked as evaluators in Imagine 2023

6.12 Activities and support from the Parent – Teacher Association - NIL

6.13 Development programmes for support staff - NIL

6.14 Initiatives taken by the institution to make the campus eco-friendly - NA

**Criterion – VII**

**7. <u>Innovations and Best Practices</u>**

7.3 Give Best Practices of the Department

Preparation of Inhouse lab manual for Practical course,

Designing and development of Experimental kits

Hands on Workshop on Robot using 8051

Poster and project competition

7.4 Contribution to environmental awareness / protection –

Collecting e-Waste at the department.

7.6 SWOC Analysis of the Department

**Strengths**

- State of Art laboratories
- SPPU Approved Research Centre
- Diversified Industry connect
- Staff members involvement as Resource person in various Workshops.
- Representation of staff as a BOS member at SPPU
- Faculty involvement in Examination work of SPPU and other autonomous institutes/ Deemed University
- Faculty involvement in Syllabus Framing at UG & PG Level
- Research Funds received from various Agencies
- Faculty members are involved in active research and are publishing research papers/articles in recognized Journals
- Infrastructure funds received from FIST:DST; CPE:UGC, BSR:UGC
- Organizes project competition for B.Sc. And M.Sc. Students
- Student progression seen from entry level to exit level
- Staff members are associated members of SPEED
- Encouraging students for participation in EEE Examination organized by SPEED
- Excellent collection of E-Books
- Laboratory manuals are written and compiled by the teaching staff
- In-house design & development of experimental kits
- Strong Alumni support
- Staff members are conversant with advanced technology in teaching, e-content development.

**Weakness:**

- Laboratory space constraints
- Non Qualified Technical Assistant
- Teaching staff is loaded with additional responsibilities
- Lack of pre-placement activities at UG level

**Opportunities:**

- Academically sound students are turning for Basic Science Education
- Academic Autonomy
- Online Teaching and Online Exam
- Exposure to Industrial environment and research institutes
- Association & Linkages with Industry components and Research institutes

**Challenges:**

- Establishment of private universities
- Students preferences towards professional courses
- Job opportunities for B.Sc. and M.Sc. students
- Implementation of NEP 2020
- Pace up with latest technology and environment
- Availability of financial support for Inhouse resource development

8.**Plans of Department for next year**

- Development of laboratory infrastructure for research
- To inculcate Research Culture among UG & PG students by applying to different funding agency (UGC,DST,BCUD) for carrying out small projects.
- To start skill based add-on courses for UG & PG students
- Enhance the Departmental Training& Placement activity cell.
- Industry collaboration through MoU
- Implementation of Embedded systems as one of the elective subject at Third Year B.Sc( Computer Sc.) UG Level.
- Enhance the Collaborations and linkages with Industry component.
- Design a Bridge course to reduce the Gap between Industry and Academia.
- Organising Project Competition.
- Enhance Research activities among students and Teachers.

The Department of Electronic Science of the college is actively engaged in various academic, curricular and extracurricular activities during the year. The department runs Electronics from XI-XII (Bifocal – Electronics) to Ph.D. degree, with 624 students enrolled this year. Students are pursuing research work at the Post Graduate Research Centre recognized by Savitribai Phule Pune University in Electronic Science. Mrs Bhangale Suchita Prakash, from our research center was awarded Ph.D. in Sept 2022. The department has introduced an elective course viz "Embedded Systems" and "IoT based Instrumentation" at T.Y.B.Sc.(Computer Sc.) from this year (2022-23).Two patents were filed by Prof. A.V. Kamble, one published in an official journal of Indian Patent Office in the issue of 15/23 dated 14/4/2023 and second is under process.

**[A] Activities conducted during the year**

- Students of T.Y.B.Sc. Physics ,Electronic Sc. and M.Sc. visited NCRA in SPPU campus on 24th August 2022. Dr. M.R.Bodke , Prof. D.B.Gaikwad & Prof. T.B.Sonawane were present.
- Participation in Academic and Administrative Audit (AAA – Year 2018-19,2019-20,2020-21) by CEDA on 19th October 2022. Prof. A.G. Gosavi and Prof. Dr. Beena Inamdar , were experts for the audit.

- Organized interaction session with Dr. Vikas Mathe. Head , Department of Electronic and Instrumentation Sc. SPPU on 5th November 2022. He guided staff members of the department and extended collaboration.
- Organized Two day Workshop on "IoT applications using ESP32 Development Board" on 17 – 18 Nov 2022 for T.Y.B.Sc.(Electronic Sc) , T.Y.B.Sc. (Physics) and M.Sc. students. Thirty Five students participated in this workshop, Mr. Umesh Kothavade was a resource person. Prof. T.B.Sonawane worked as coordinator.
- Alumni meet was Organized on 26th Nov 2022. More than 100 students from the first batch to 2022 batch were present in the Alumni meet. In the Meet Dr. S.A. Deuskar Prof. S.R. Chaudhari and Prof. B.B.Yenge, former Heads of the Department were present. The department received strong support and further contribution towards the evolution of Electronics.
- Organized a field visit for B.Sc students to Pune Metro on 19th January 2023 as Samwad activity of Pune Metro. Fifty Nine students of F.Y., S.Y. T.Y. B.Sc. participated in this visit. Prof. T.B.Sonawane and Prof. R.V.Vidap worked as coordinators for this visit.
- Organized poster competition on 21st January 2023 for F.Y.B.Sc.(Electronic Sc) , S.Y.B.Sc. (Electronic Sc.) students. Sixty students participated in this competition. Eight Prizes were given to both F.Y.B.Sc. and S.Y.B.Sc. students. Prof. Madhav Kuber , Scientist G, ARDE, Dighi and Dr. Vilas More , Member, Board of study, SPPU – Subject : Electronic Science were guest of honor for the competiton.Prof.T.R.Kumbhar worked as coordinator.
- Completed Academic and Administrative Audit (2021-22) on 7th February 2023. Dr. Vikas L. Mathe, Head, Department of Electronic and Instrumentation Science was the expert for the audit.
- Organized University Level Project Competition (Imagine-2023) on 25th February 2023 for T.Y.B.Sc. and M.Sc. students. Alumni worked as judges in the competition. Mr. Raju Thombre, Dhoot Transmission, alumnus of the Department was honored as chief guest in the prize distribution cum valedictory function.
- Organized guest lecture on "Career opportunities in Electronic and Instrumentation Science for U.G. students of Electronic Science and Physics on 27th February 2023. Speakers were Dr. Aditi Joshi (Alumnus), Assistant Professor and Dr. Bhagyashree Joshi Assistant Professor , DOEIS , SPPU
- Organized interaction session on 15th April 2023,with industrial person, Mr. Chandrakant Gaikwad, Senior Module lead, Avaya, Pune for M.Sc. students. (How to prepare for Industrial Environment)

**[D] Achievements by students**

1. Rutik Chavan (M.Sc. II) got second prize in Yuva Sanshodhak Scheme (YSS) for a Project Titled **" IoT Based Home Automation"**
2. Krupa Naduskar , M.Sc.(I) passed AFCAT 2023 (Air Force Common Aptitude Test) conducted on 25th Feb 2023.
3. Apurv Kulkarni (M.Sc. II) got second prize in the University Level Project Competition **(Imagine 2023).**
4. Gauri Pote and Priyanka Thorat (M.Sc. II) got consolation prize in University Level Project Competition **(Imagine 2023).**

**[E] Achievements by staff members**

**1. Prof. D.B.Gaikwad**

- Appointed as Head , Department of Electronic Science of Modern College of Arts, Science & Commerce, Pune-5 from 1st July 2022.
- Worked as a Resource person in RUSA sponsored workshop on "Digital Design and implementation using Verilog" on 30th January 2023 organized by S.P. college Pune-30.

**2. Dr. M. R. Bodke** –

- Elected as **Director** in Progressive Education Society's Sevak Sahakari Patpedhi , Shivajinagar , Pune -5 for a 5 years period.
- Two students enrolled for Ph.D degree in Electronic Science under the guidance of Dr. M.R.Bodke.
- Two students enrolled for Ph.D degree in Physics under the guidance of Dr. M.R.Bodke
- Worked as **coordinator** for University Level Poster cum Project Competition (Imagine 2023) organized on 25th February 2023 for T.Y.B.Sc. and M.Sc. Electronic Science students.

**3. Prof. T. B. Sonawane** –

- Nomination by Hon'ble Vice-Chancellor on the Ad-Hoc Board of Studies in Energy and Power in the Faculty of Science and Technology for a group of B.Voc. M.Voc. Diploma, Advanced Diploma, Certificate courses sanctioned by UGC.
- Coordinated and facilitated visit to Pune Metro Station for the UG students of the department.
- Worked as coordinator in "Salag 14 tas Abhyas Abhiyan" on the occasion of 132th Birth Anniversary of Dr. Babasaheb Ambedkar on 13th April 2023.
- Selected for the Ph.D course in Electronic Science subject at DOES Research Centre, Modern College, Shivajinagar, Pune-5.

**4. Prof. T. R. Kumbhar**

- Worked as coordinator for Poster Competition organized on 21st Jan 2023 for F.Y.B.Sc. and S.Y.B.Sc. Electronic Science students.

**5. Prof. A. V. Kamble**

- Two patents filed, one got published in an official journal of Indian Patent Office in the issue of 15/23 dated 14/4/2023 and second is under process.
- Appreciation from NCC, Maharashtra. Four cadets from our college were selected in the Republic Day Parade 2023.
- Invited as chief guest in Modern Primary School for Republic day Flag Hoisting.
- Participated in IP Awareness / Training program organized by Intellectual Prosperity Office , India under National Intellectual Prosperity Awareness Mission on 20th March 2023.
- Won First prize for acting in One Act play organized by Rotary Club.
- Facilitated the Business Plan Competition organized by Rotary international. Our college team won first prize.
- Delivered Lecture in Bhartiya Boudh Mahasabha, Sangvi

**6. Prof. P .S. Varade**

- Published paper on "Design and Development of Task light Simulator for Quality Lighting Factor and Simulation of LED tube based Illumination System for Laboratory.", YMER 21, Issue 5th May-2022.
- Published paper on "Daylight Simulation for a typical using DIALux and Integration of Daylight with artificial lighting for Laboratory Work.", GIS Science Journal , September -2022.

**9. V. A. Chaudhari**

- Worked as **Principal Investigator (PI)**, in a project titled "Automatic Street Light Controller" under Yuva Sanshodhak Scheme (YSS) of college. She guided two M.Sc. students Bamane Asawari and Nimbalkar Harshada.

**10. Prof. G. M. Tarate**

- Worked as **coordinator for University Level Poster cum Project Competition** (Imagine 2023) organized on 25th Feb 2023 for T.Y.B.Sc. and M.Sc. Electronic Science students.
- Worked as **Principal Investigator (PI)**, in projects titled "IoT based Home Automation", "Automatic College Bell Management System", under Yuva Sanshodhak Scheme (YSS) of college. He guided two M.Sc. students Bagul Kautik, Rutik Chavan.

**11. Prof. A. S. Londhe**

- New Appointment in the Department of Electronic Science.
- Worked as member of organizing committee for Imagine 2023, Project cum Poster Competition for T.Y.B.Sc. and M.Sc. Electronic Sc. students, organized on 25th Feb 2023.
- Prepared Verilog Lab Manual for M.Sc.I students.

**12. Mr. Yogesh Sonawane**

- Appreciated as BEST BLO on 25th January 2023 by Voting Registration Officer Shivajinagar Assembly Constituency for 2022 and 2023.
- Dr. Umesh Hivarkar (Industry Expert) worked as a visiting faculty for M.Sc. Course. Dr. Ghatule, Dr. P. K. Bhadane and Dr. M. R. Bodke are research guides at our Research Centre. Recently six research students are pursuing research work for their Ph.D. Degree in Post-Graduate Research Centre of Electronic Science.

7.6 SWOC Analysis of the Department

**Strength:**

- Very encouraging response for Mathematics at B.Sc. and M.Sc.
- We started a Research Centre in Mathematics with 3 Ph.D. guides and 1 student.

**Weakness:**

- The subject is in great demand at UG. However, due to limited intake capacity, the demand can not be fulfilled.
- Placement activity at departmental level needs to be strengthened.

**Opportunities:**

- The staff members have opportunities to undertake Minor/Major Research Projects.
- Enhancing the quality of education, through the collaborative activity with SPPU, IISER Pune and University of Melbourne, Australia, for conducting B.Sc. Blended course.

**Challenges:**

- To inculcate research aptitude in students.
- Genuine multifaceted limitations of the students coming from varied socio-economic backgrounds creates heterogeneity in the class and addressing the needs of all of them in the same class is a challenging task.

8. **Plans of Department for next year :**

**To develop an independant well equipped computer Laboratory for the department.**

Following are the activities organized by Department and achievements of staff as well as students:

***Staff Achievements:***

**Dr. Shilpa Mujumdar :**

- Granted Indian Patent
- Published original research article in Journal frontiers in Microbiology impact factor 5.6
- Appointed as Treasurer for Association of Microbiologist, India Pune Unit
- Worked as coordinator of symposium for M. Sc. students in association with AMI Pune Unit entitled "Dissertation: Plan, design and Execute"
- Worked as Chairperson for Yuva Sanshodhak Scheme (YSS)
- Organized Microcosm Competitions

**Ms. Sheetal Pardeshi**

- Applied for Indian and International patent.
- Worked as organizing committee member for symposium for M. Sc. students in association with AMI Pune Unit and National conference on Implementation of National Educational Policy 2020

**Mr. Vivek Bobade**

- Arranged / Organized / Participated in workshops, seminars, conferences:
  Contributed as a member of the organizing committee for Documentary presentation and Paper presentation competitions organized under Microcosm 2022 by the Department of Microbiology, 2023.

**Mrs. Anushka Devale**

- Published original research article in Journal frontiers in Microbiology. Production and characterization of bioemulsifier by *Parapedobacter indicus*
- Arranged/ Organized/ Participated in workshops, seminars, conferences:
- Worked as Coordinator for Microbiology quiz contest conducted under Microcosm
- Contributed as a member of the organizing committee for Documentary, Model, Poster and Quiz competition organized under Microcosm by the Department of Microbiology, 2023.
- Participated in the organization of lecture series as part of Microcosm 2023.
- Participated in 2 days "National conference on Implementation of National Educational Policy 2020 " on 14th and 15th Feb, 2023.

**Mrs. Rupali Sawant**

- Published original research article in Journal frontiers in Microbiology. Production and characterization of bioemulsifier by *Parapedobacter indicus*
- Worked as Coordinator for lecture series as part of Microcosm 2023.
- Contributed as a member of the organizing committee for Documentary, Model, Poster and Quiz competition organized under Microcosm by the Department of Microbiology, 2023.
- Participated in 2 days "National conference on Implementation of National Educational Policy 2020 " on 14th and 15th Feb, 2023.

**Ms. Ankita Kulkarni**

- Worked as Coordinator for Micro-toon activity conducted under Microcosm
- Worked as UG coordinator for the year 2022-2023.
- Contributed as a member of the organizing committee for Documentary, Model, Poster and Quiz competition organized under Microcosm by the Department of Microbiology, 2023.
- Participated in the organization of lecture series as part of Microcosm 2023.
- Participated in 2 days "National conference on Implementation of National Educational Policy 2020 " on 14th and 15th Feb, 2023.

**Mrs. Saili Kirtiwar**

Arranged/ Organized/ Participated in workshops, seminars, conferences:

- Participated in 2 days "National conference on Implementation of National Educational Policy 2020 " on 14th and 15th Feb, 2023.
- Involved in organization of Rangoli and Documentary Competition of Microtoon 2023 organized by Department of Microbiology, MCASC, Pune from 23rd Feb to 25th Feb, 2023.
- Involved in Hall Arrangement for the One Day Symposium on "Dissertation: Plan, design and Execute" in collaboration with Association of Microbiologists of India on 25th March 2023.

**Ms. Lavina Pinto**

- Books Publications (References books/ Textbooks):
- Book chapter on "Types of Bioemulsions in Pharmaceutical and Cosmetic Industries" is under communication for publication.
- Book chapter on "Applications of Bioemulsifiers in Pharmaceutical and Cosmetic Industries" is under communication for publication.
- Arranged/ Organized/ Participated in workshops, seminars, conferences:
- Participated in 2 days "National conference on Implementation of National Educational Policy 2020 " on 14th and 15th Feb, 2023.
- Designed certificates of Microcosm 2023 and involved in organization of Microtoon event of Microtoon 2023 organized by Department of Microbiology, MCASC, Pune from 23rd Feb to 25th Feb, 2023.
- Involved in certificate designing and distribution and arrangement of refreshments for the One Day Symposium on "Dissertation: Plan, design and Execute" in collaboration with Association of Microbiologists of India on 25th March 2023.
- Any other achievements: Appointed as P. G. Co-ordinator for the academic year 2022-23.

**Dr. Ekta Kamble**

- Appointment of new staff: 10 January, 2023
- Arranged/ Organized/ Participated in workshops, seminars, conferences:
- Organized project presentations under College-wide Yuva Sanshodhak Scheme
- Organized lecture series as part of Microcosm 2023.
- Organized of One-day Symposium on "Dissertation - Plan, design and Execute" in collaboration with Association of Microbiologists of India
- Participated in Two day National Conference on NEP 2022

**Mrs. Bhoomika Karamchandani**

- Special Awards:
- Guided students and won FIRST prize for YSS project entitled "Antimicrobial efficacy of Nanoparticles synthesized using leaf extracts coupled with Silver " undertaken from April 2022 to February 2023.
- Arranged/ Organized/ Participated in workshops, seminars, conferences:
- Involved in the registration process for the one day symposium on "Dissertation: Plan, design and Execute" in collaboration with Association of Microbiologists of India.
- Participated in 2 days "National conference on Implementation of National Educational Policy 2020 " on 14th and 15th Feb, 2023.
- Contributed as a member of the organizing committee for Documentary, Quiz, Model and Poster competition organised under Microcosm by the Department of Microbiology on February, 2023.
- Participated in the Faculty Development Program (FDP) 2-day workshop on "Discovering the teacher within you and The Evolving role of a Teacher" organized by the Value Based Education Committee in collaboration with Centre for Innovation in Teaching, Learning and Evaluation, Modern College of Arts, Science and Commerce, Shivajinagar Pune on 19th April 2022 and 20th April 2022.

**Ms. Dimple Parate**

- Special Achievements:
- Guided students and won second prize for YSS project entitled "Isolation and Identification of Microbial Diversity from the campus soil" undertaken from April 2022 to February 2023.
- Qualified SPPU PET 2022 exam.
- Arranged/ Organized/ Participated in workshops, seminars, conferences:
- Participated in 2 days "National conference on Implementation of National Educational Policy 2020 " on 14th and 15th Feb, 2023.
- Contributed as a member of the organising committee for Documentary, Quiz, Model and Poster competition organised under Microcosm by the Department of Microbiology on February, 2023.
- Worked as a coordinator for "Entrepreneurship skills, Attitude and Behaviour Development" organised by Department of Microbiology under Institute Innovation Council (IIC) committee; MCASC on 7th February 2022.
- Participated in the Faculty Development Program (FDP) 2-day workshop on "Discovering the teacher within you and The Evolving role of a Teacher" organised by the Value Based Education Committee in collaboration with Centre for Innovation in Teaching, Learning and Evaluation, Modern College of Arts, Science and Commerce, Shivajinagar Pune on 19th April 2022 and 20th April 2022.

**Dr. Priyanka Navghare**

- Date of Appointment : 17/08/2022
- Special Achievements :
- Involved in the registration process for the one day symposium on "Dissertation: Plan, design and Execute" in collaboration with Association of Microbiologists of India.
- Participated in 2 days "National conference on Implementation of National Educational Policy 2020 " on 14th and 15th Feb, 2023.
- Contributed as a member of the organising committee for Documentary, Quiz, Model and Poster competition organised under Microcosm by the Department of Microbiology on February, 2023.

**Ms. Raksha Shendge**

- Date of Appointment :17/08/2022
- Special Achievements:
- Contributed as a member of the organizing committee for Documentary,Lecture series, Microtoon, Model, Poster and Quiz competition organized under Microcosm by the Department of Microbiology , 2023.
- Participated in 2 days "National conference on Implementation of National Educational Policy 2020 " on 14th and 15th Feb, 2023.

**Students Achievements**

- Best Student trophy was awarded to Ms. Madhuri Sangnale, Senior wing, from TY.BSc. Micro for being shortlisted for second runner up 2022.
- Ektha Kalalkar from TY.BSc. Micro won Gold Medal in Thal Sainik camp held in Delhi 2022.
- Aakansha Apte, Krishika Warude and Diksha Chitale won first prize in AMR Quiz competition 2022 held at Department of Microbiology SPPU.
- Kalyani Gore of MSc Part I was awarded first prize in poster presentation at Micro olympiad held by government institute of life science, Aurangabad 2022.
- Somya Bhandari, Shweta Salunke and Prashant Salunke of MSc under guidance of Bhoomika Karamchandani maam won first prize in Yuva Sanshodhak Scheme competition
- Baljitsing Rajput, Subodh Gutte and Vaishnavi Ghuge of MSc under guidance of Dimple Parate won second prize in Yuva Sanshodhak Scheme competition

**Report on One-Day Symposium entitled "Dissertation – Plan, Design, and Execute"**

A one-day symposium on "Dissertation – Plan, Design, and Execute" was jointly organized by Department of Microbiology, MCASC, Shivajinagar – 05 and Association of Microbiologists of India, Pune unit on Saturday, 25 March, 2023. From 9 am to 3.30 pm. This symposium was organized for P. G. students belonging to all colleges of Maharashtra.

Eminent scientists from reputed students were invited as resource persons to guide students about how to conduct a successful dissertation which is part of their curriculum. Dr. P. K. Dhakephalkar, Director of Agharkar Research Institute, was the chief-guest as well as a resource person who spoke about how research should be conducted while doing a dissertation. Dr. Dheeraj Dhotre, Scientist, National Center of Microbial Resources, spoke about the importance of scientific writing and how to improve it. Dr. Ashish Polkade, founder of Bharat Eco Solutions and Technology, gave a general idea about what is expected from a dissertation student. Dr. Asim Auti, Coordinator Maharashtra State Development of Educators and Enhancement in Delivery, Indian Institute of Science and Education research, explained very well what one must expect while conducting research and therefore a dissertation that lasts only 6 months. Dr. Yogesh Shouche, former Principal Investigator of National Center of Microbial Resources, enlightened the audience on the stepwise procedure of conducting research and what is expected from a project.

Students and teachers alike benefitted from this activity and gave positive feedback on the entire event.

**Report of Microcosm 22-23**

The Microcosm 22-23 three day's activities conducted by the Department of Microbiology in collaboration with Science Association. The activities were successfully conducted under the valuable guidance of respected principal Dr. R.S. Zunjarrao, Dr. Shilpa Mujumdar Head Department of Microbiology.

**Day 1**

On 23rd February the microcosm 2023 was inaugurated with a Lecture series on the theme of 'career opportunities in Microbiology'. The online lecture series was coordinated by Assistant Professor Rupali Sawant and Assistant Professor Ekta Kamble. The invited speakers were, **Mrs.** Shradha Omkar Boid, Editorial Associate, Springer Nature India, Magarpatta, Hadapsar, Pune., Dr. Sougata Ghosh, Visiting Professor, Department of Physics, Faculty of Science, Kasetsart University, Bangkok, Thailand, Mr. Shubhankar Ambike**,** PhD Student, Institute of Virology, Technical University of Munich, Trogerstr.30, 81675, Munich, Germany; all distinguished alumni of the Department. It is a pride to mention here that all the speakers in the lecture series are our departmental alumni and working on renowned positions in various scientific organisations. The faculties as well as students were highly benefited with the interaction with the speakers.

**Day 2**

The second day of Microcosm 22-23, started with a Documentary competition in the assembly hall of our college. The competition was coordinated by Assistant Professor Vivek Bobade and Assistant Professor Saili Kirtiwar. Students of B.Sc. and M.Sc. Microbiology produced very creative and informative documentaries and presented those in front of UG PG students, Faculty and respected Judge Dr.Rajkumar Barmukh, Department of Botany.

**Microbiology Quiz contest 22-23**

The Microbiology Quiz contest (UG) was coordinated by Assistant Professor Anushka Devale and Assistant Professor Sheetal Pardeshi. The participants were divided amongst the four groups namely Lehninger, Mendel, Flemming and Pasteur after the names of renowned scientists in Microbiology. The quiz was conducted in 4 rounds like Microbial concepts dumb charades , Multiple Q and A, Rapid fire round and final visuals based questions round. Finally the Flemming group won the contest. This activity was fun-filled and full of knowledge. Even the audience participated in the contest by answering unanswered questions in the quiz.

1. Students engrossed in quiz
2. Microbiology 22-23 quiz scorers
3. Assistant professor Saili Kirtiwar & assistant professor Raksha Shendge

4. Microbiology quiz contest 2022-23

- In the afternoon of the second day, the paper presentation competition was conducted to build scientific communication skills in students. Both UG and PG students actively participated in the competition and their performance was highly appreciated by the entire faculty as well as respected judge Dr. Sachin Sakate, Department of Chemistry. The coordination of this activity was done by Assistant professor Vivek Bobade and Assistant professor Priyanka Navghare.

**Day 3**

Four competitions were conducted simultaneously Microtoon, Microbiological Rangoli, Model and Poster competition 22-23 in the morning session, under the coordination of Assistant Professors Saili Kirtiwar, Lavina Pinto, Ankita Kulkarni, Raksha Shendge, Bhoomika Karamchandani and Dimple Parate. UG and PG students actively participated in these activities. Students displayed beautiful and creative ideas, and demonstrated excellent presentation skills in these competitions.

**Microcosm - Poster Presentation Report (2023)**

The Poster Presentation activity was one of the events in Microcosm 2023 organized by the Department of Microbiology, Modern College of Arts, Science and Commerce, Shivajinagar Pune.

**Objectives of the Competition:**

1] To introduce a primer to students to develop and strengthen scientific skills, communication, and cultivate competence.

2] To ease the understanding of the subject concepts by visual and creative depictions through the preparation of posters.

3] To enhance teamwork among students.

**Date of Competition:** 25/02/2023

**Time of Competition:** 12:00 noon -2:00 pm.

**Judges:** Dr. Bharat Kalbage from Zoology Department, MCASC, Shivajinagar, Pune.

**Coordinator:** Ms. Dimple Parate.

**Participants:**

1] PG – There were a total number of 7 participants from the Postgraduate section for Poster Presentation.

2] UG – There were a total number of 25 participants from the Undergraduate section for Poster Presentation.

In this activity, various posters were presented by the students based on the current life science topics and various concepts related to microbiology.

**Prize Given:**

Compering for the prize distribution was done by Dr. Ekta Kamble.

Participating certificates were given to all the participants.

Winners were rewarded with an appreciation certificate and a Gold Medal for the 1st ranker, a Silver Medal for the 2nd ranker, and Bronze Medal for the 3rd ranker.

The winner's list for UG Poster Presentation Competition is as follows:

**Ranks Poster Presentations**

**UG Section**

1st Ankita Dhongade, Mokshada Bathara, UG (SYBSc)

2nd Vaishnavi Sanap, Yashaswini Sharma, UG (SYBSc) Janhvi Wagholikar, UG (FYBSc)

3rd Hiya Pujara, Samanaa Mutalik, Shruti Pawar, Lalita Bapur, Dhanashree Musudage, UG (SYBSc), UG (TYBSc)

Consolation - Krishika Warude, Diksha Chitale, Aakansha Apte UG (TYBSc)

The winner's list for PG Poster Presentation Competition is as follows:

**Ranks Poster Presentations PG Section**

1st Aditi Khot, Vaishali Mohakar, Twarita Dhage, MSc I

2nd Aarohi Kurwalikar, MSc I

3rd Ashwini Kale, Pooja Saste, Payal Gawari - MSc I

**Microcosm- Microtoon Report (2022-23)**

Microtoon activity was one of the events in Microcosm organized by the Department of Microbiology, Modern College of Arts, Science and Commerce, Shivajinagar Pune.

**Objectives of the Competition:** 1] to motivate creativity in students

2] Explain concepts in simplified and attractive manner

**Date of Competition:** Drawing 22/02/23; Display 25/02/2023

**Time of Competition:** 11:00 am – 12.00 noon

**Judge:** Dr. Yugandhar Shinde of Zoology Department, Modern College of Arts, Science and Commerce, Ganeshkhind, Pune.

**Coordinator:** Ms. Lavina Pinto and Ms. Ankita Kulkarni

From undergraduate section 22 students participated and from Post graduate section 9 students participated.

**UG section**

**Ranks Name of Winners Class**

1st prize - Vaishnavi Sanap, S. Y.

2nd prize - Sandhya J., Anushka Rai, S.Y. ; F.Y.

3rd prize - Pranjali Kolthalkar,
Nishtha Ninave, T. Y.

**PG section**

1st prize - Vijay Chavan, M. Sc. II

2nd prize - Sayli Chaskar, Nishant Kulkarni, M. Sc. II

3rd prize - Shubham Jadhav, M. Sc. II

Winners were rewarded with an appreciation certificate and a Gold Medal for the 1st ranker and a Silver Medal for the 2nd ranker, and Bronze Medal for 3rd ranker.

**Microcosm- Rangoli Report (2022-23)**

Microtoon activity was one of the events in Microcosm organized by the Department of Microbiology, Modern College of Arts, Science and Commerce, Shivajinagar Pune.

**Objectives of the Competition:** 1] to motivate creativity in students

2] to explain concepts in simplified and attractive manner

**Date of Competition:** Rangoli 25/02/23

**Time of Competition:** 10:00 am – 11.00 pm

**Judge:** Dr. Arti Goggi of Botany Department, Modern College of Arts, Science and Commerce, Shivajinagar, Pune.

**Coordinator:** Ms. Bhoomika Karamchandani and Ms. Saili Kirtiwar

**UG section**

**Ranks Name of Winners Class**

1st prize - Omkar Wavhal, Rohan Borate - TY

2nd prize - Sakshi Jadhav, Pranav Kardile - TY

3rd prize - Anushka Bhosale - T.Y

**PG section**

1st prize - Rutuja Nagpure, Srushti Tapkir - MSc I

2nd prize - Janhavi Kadam, Poorva Nimbalkar - MSc I

3rd prize - Bhagyashree Patkar, Mohita Pande - MSc II

Winners were rewarded with an appreciation certificate and a Gold Medal for the 1st ranker and a Silver Medal for the 2nd ranker, and Bronze Medal for 3rd ranker.

**Yuva Sanshodhak Scheme**

The Research Monitoring Committee of PES Modern College of Arts, Science and Commerce (Autonomous) (MCASC), Shivajinagar, Pune-05 conducts the Yuva Sanshodhak Scheme (YSS) every year to promote research among post graduate students of all faculties. Under this program, students write a project proposal under the guidance of their teachers, obtain funding for their project, conduct research throughout the year, and present their findings before experts. The best projects are awarded on Science Day, i. e. 28 February.

This year was the first time this activity was conducted. The program was announced on 17th March, 2022 by means of flyers circulated as soft copy via WhatsApp and hard copy to all departments. The deadline for submission was 10 April, 2022. This deadline was extended to 20 April, 2022 in order to accommodate all proposals. Instructions were given as to how many students were allowed into one group. The projects were meant to be interdisciplinary. A proforma for writing the proposal was provided to all departments to maintain uniformity. This proforma included the following sections: Part I – General information (Names of guides and students), Part II – Project Information (Introduction, Background, /Research gaps to be addressed, Interdisciplinary relevance, Aims and objectives, Methodology or techniques, Work plan timeline, and References), Part III – Budget Particulars, and Declaration/Certification. Hardcopy of the proposals were submitted to departmental Research Co-ordinators, which were then submitted to the Chief Co-ordinator of the Research Monitoring Committee.

Students of PG- I classes actively participated in this activity by approaching their teachers for writing project proposals. The faculty of arts had seven proposals, the faculty of science seventeen, and the faculty of commerce two. The proposals were evaluated on 21 April, 2022 at the Internal Quality Assurance Cell room in the main building of Modern College, Shivajinagar by a scrutiny committee of internal experts from each faculty, namely, Ms. Sukanya Garg, Asst. Prof., Department of English, for Arts, Dr. Rama Phadke, Head, Department of Biotechnology, for Science, Mrs. Shreya Vaidya, Asst. Prof., Department of Commerce (SF), for Commerce, and Dr. Manisha Sane, Head, Department of Statistics, for application of statistics to each project. Dr. Shilpa Mujumdar, Chief Coordinator of the RMC, oversaw the session on project evaluations with assistance from Dr. Ekta Kamble, Asst. Prof., Department of Microbiology. The evaluation was done out of 40 points which were divided equally as follows; Proposal Preparation, Application / Utility, Need / Importance of Topic, and Interdisciplinary Relevance. All experts offered their suggestions in improving project quality. A report of the comments and suggestions was prepared and shared with the concerned project guides. Since this was the first year during which this activity was conducted, all projects were sanctioned a grant in order to promote research among masters' students.

All project in-charges, called project guides here forth, were officially notified of the grant sanctioned towards their projects confirming the project title and name of the students working under their guidance. Each project was sanctioned a sum of Rs. 5000/- for the purchase of materials required for the completion of research projects. Project guides were provided with requisition forms for claiming the sanctioned grant which they could do anytime during the year.

At the end of February 2023, project guides and students were notified of the final project submissions and presentations. They were asked to submit hard and soft copies of the complete project report as well as a one-page write up for which a template was provided. Each group was asked to present their data via a PowerPoint presentation. The presentations were held on 27 February, 2023 from 11 am to 7 pm which were evaluated by both internal and external experts from the respective faculties. The projects were divided into the following categories: languages, humanities, life sciences, and science and technology. Completed projects from the faculty of commerce were not obtained. The experts evaluated each project out of 100 points based on the one-page writeup and presentation using the following criteria: Proficiency of presentation skills (20 points), Potential of the research work (25 points), Applications of the work (25 points), Publication potential (10 points), One page report (10 points), and Ability to satisfy queries (10 points).

Presentations under humanities and languages were scheduled in the morning from 11 am to 1 pm. These presentations were evaluated by Dr. Meenakshi Gokhale, Asso. Prof., Department of Psychology, S. P. College, Pune- (external expert), Dr. Rahul Mhaiskar, Asst. Prof., Department of Marathi, Deccan College Post Graduate and Research Institute, Pune-411006 (external expert) and Dr. Amruta Oke, Vice-Principal, Faculty of Arts, PES MCASC, Pune – 05 (internal expert). Out of the seven groups of the faculty of arts who had submitted proposals, five groups presented their data.

- Department of Physics conducted one day workshop under Green Campus Initiative of the college on "Hands on Training on Manufacturing Rechargeable LED Bulbs for UG and PG Students" in collaboration with Avience Scientific (LED Bulb Manufacturer), Pune & Science Association, Modern college, Shivajinagar was conducted on 18th January 2023. The workshop was inaugurated by Dr. Avinash Rokade, Founder Director, Avience Scientific and Prof. S. S. Thengadi, Head, Department of Physics, MCASC. According to the theme of this workshop importance of sustainable development of energy as well as energy saving have enlightened. In this workshop LED, PCB design LED Driver, Soldering, Component fitting, Illumination testing etc. fundamental things were explained. In this workshop, 57 students were actively participated and manufactured 57 rechargeable LED bulbs. The certificates were distributed at the hands off Principal Dr. R. S. Zunjarrao during valedictory function. Dr. Vaishali S. Waman was the Coordinator for this activity. Prof. Nileshkumar Pardeshi, Dr. Sandip S. Patil, Prof. Sanket Gogte, Dr. Padmashree Joshi, Dr. Ruchita Khare, Prof. Archana Gadre, Prof. Pooja Kulkarni, Prof. Ashwin Bochare, Prof. Trupti Aher, were the committee member of the workshop.

2.14 Significant Activities conducted by the Department / DIQAC in the academic year:

- One day workshop was organized for Undergraduate and Postgraduate students on **"Hands on Training on Manufacturing Rechargeable LED Bulbs for UG and PG Students"** conducted by **Department of Physics** in collaboration with **Avience Scientific** on **18th January 2023.**
- **Dr. Ranjit Hawaldar Scientist C, CMET Pune**, has been invited as guest speaker and chief guest for Prize Distribution Ceremony of Poster Presentation Competition and Power Point Presentation Competition

- Students of T. Y. B. Sc., M.Sc. and B. Sc. Blended visited **National Centre for Radio Astrophysics (NCRA) on 24 August 2022.**
- Students of **Deendayal Upadhyaya PMC School, Pune** visited Department of Physics on the occasion of Science day week.

**Academic Planning for the year 2022-23**

**June 2022:**

- Departmental meeting of teaching and non-teaching staff.
- Stock verification of the department.
- IQAC Meeting
- Finalization of departmental and personal time table UG and PG.
- Submission of teaching Plans UG and PG.
- Result analysis of all classes – subject wise – for previous year.
- Establishing contact/communication with the prospective organizations for allowing our students to conduct the project work there.
- Follow up of the requirement of the apparatus and books.

**July :**

- Review of Admissions for UG and PG **and online teaching**
- Submission of self-appraisal forms.
- Orientation for the students regarding departmental library facility and other co-curricular and extra-curricular activities organised by the department.
- Allotment of project work to students.
- Planning and announcement of educational visits subject to pandemic situation and sanction by Government Authorities.

**August :**

- Guest lecture by eminent person in online mode.
- Follow up of project work.
- Additional online Demonstration sessions
- Starting remedial teaching.
- Educational study visit for T Y B Sc students
- Follow up of attendance of students.

**September :**

- Follow up of remedial courses.
- Preparation of defaulters list in class attendance.
- Setting of question papers for all classes CIE
- Conduct CIE

**October :**

- Conduct CIE
- Submission of mark-list to office.
- Term – end meeting of teaching and non-teaching staff to review the work/activities carried out in the first term and plan for the second term.
- IQAC Meeting and Term End Meeting

**November:**

- Departmental meeting of teaching and non-teaching staff.
- Orientation of defaulters for class attendance.
- Astro-club activity.
- Follow up of project work.
- To conduct ESE practical examination for M.Sc.

**December :**

- Result analysis (Subject-wise) of S.Y.B.Sc. and T.Y.B.Sc class.
- Educational study visits for F Y B Sc and S. Y. B. Sc. Students subject to pandemic situation and sanction by Government Authorities
- Astro-club activity.
- Guest lecture by eminent person.
- Poster competition for FYBSc.

**January 2023 :**

- Review of the practical work and revision practical sessions.
- Project exhibition.
- Power point competition for SYBSc.
- Certification of journals for all classes.
- Setting of question papers for all classes for internal test of second term.
- Study tour of TYBSc.
- Annual Social Gathering

**February :**

- Internal practical examination for all classes.
- Term –end internal Examination.
- Paper correction work of the term end examination.
- Submission of mark-list to office.
- Preparation for the ESE examination .

**March :**

- To conduct ESE practical examination for S.Y.and T.Y.B.Sc.
- Submission of mark-list

**April :**

- To conduct ESE practical examination for M.Sc.
- To conduct ESE practical examination for FYBSc.
- Distribution of the courses and other responsibilities amongst staff members to carry out co-curricular and extra-curricular activities in the department for the next academic year.
- Put forward the requirement of the department to college office.
- Submission of the list of books required for the next academic year to the college library.

- Term – end meeting of teaching and non-teaching staff to review the work/activities carried out in the second term and plan for the next academic year.
- IQAC Meeting
- Submission of Departmental AQAR.

**6. Governance, Leadership and Management**

**6.3 Faculty Empowerment Strategies**

6.3.1 Teachers provided with financial support to attend conferences / workshops and towards membership fee of professional bodies during the year

**NIL**

6.3.2 Number of professional development / administrative training programmes organized by the College for teaching and non teaching staff during the year

**NOT APPLICABLE**

6.3.3 No. of teachers attending professional development programmes, viz., Orientation Programme, Refresher Course, Short Term Course, Faculty Development Programmes during the year

6.3 Quality improvement strategies adopted by the Department for each of the following:

6.3.1 Curriculum Development

While designing curriculum of college we have selected members from industry, From other institutes with high academic performance.

6.3.2 Teaching and Learning

Use ICT, and other teaching methods such as seminars, presentations, discussions, competitions such as quiz, poster were organized

6.3.3 Examination and Evaluation

Students are asked to submit the assignments which are thoroughly checked by our staff members and one to one discussion is done with students about modifications in the assignments.

6.3.4 Research and Development

Motivated the staff members to submit the proposal for minor research scheme to different funding agencies.

6.3.5 Library, ICT and physical infrastructure / instrumentation

Suggestions are given to purchase DELNET.

6.3.6 Human Resource Management **NIL**

6.3.7 Faculty and Staff recruitment **NIL**

6.3.8 Industry Interaction / Collaboration **NIL**

6.3.9 Admission of Students **NIL**

6.11 Activities and support from the Alumni Association

6.12 Activities and support from the Parent – Teacher Association

6.13 Development programmes for support staff

6.14 Initiatives taken by the institution to make the campus eco-friendly.

- **Awareness regarding EV.**
- **Awareness regarding Renewable Energy Sources.**
- **Fluorescent Lamps are replaced by LED**
- **One day workshop was organized for Undergraduate and Postgraduate students on "Hands on Training on Manufacturing Rechargeable LED Bulbs.**

**Criterion – VII**

**7. Innovations and Best Practices**

7.3 Give Best Practices of the Department :

- Newly recruited staff members are appealed to attend Senior teachers lectures.

7.4 Contribution to environmental awareness / protection

- Fluorescent Lamps are replaced by LED
- LPG gas burners are replaced by induction system
- Steam generators are replaced by burners

7.6 SWOC Analysis of the Department

- **Strengths :**

- Well qualified, Experienced Faculties to run UG and PG Courses
- State of Art infrastructure for Academic and Research
- Efficient Space Utilization, Managing and Conducting Laboratories (UG/PG/B.Sc. Blended)
- Emphasis of Student centered Teaching-Learning process
- Active Participation of Head in College Administration and Parent body.(Member BOLM, Coordinator Administration)
- Student centric, ICT enabled, participatory and interactive teaching learning methods are promoted.
- Campus wide internet connectivity

- **Weakness :**

- Inadequate Permanent Teaching
- Insufficient/Inadequate Laboratory Space.
- Supporting Technical Staff unavailable.
- Lack of campus interviews.

- **Opportunities :**

- Department has Potential to Excel in Academic as well Research.
- The department can offer Physics as major subject for B.Sc. Blended Course of Melbourne University, Australia.
- The Department can initiate admission process at Recognized Research Centre for Ph.D. Physics Students.
- Increasing financial aids to the students through institutional resources
- Increasing research publications in high impact factor journals.
- Strengthening collaboration with research institutes and I industries I

- **Challenges ;**

- Identify Institution/Industries for placements of Master Students to persue Academic and Professional Career.
- To establish Recognized research Centre.
- To overcome student drop out problem.
- To prepare for execution and implementation for Autonomous Status.
- Sustaining non-granted courses
- Increasing employability of the students

8. **Plans of Department for next year**

- **Development of laboratory infrastructure for Research**
- **To inculcate Research Culture among under graduate students by applying to different funding agency (Local,UGC,DST,BCUD) for carrying out small projects.**
- **To start an add-on course on PV Installation and Maintenance.**
- **To establish V-LAB (LABON LAPTOP)**
-

3. Power point competition for S.Y.B.Sc.: Students of S. Y. B. Sc. prepared the powerpoint presentations on various topics of Physics and presented them in the class. This competition gives students an opportunity to improve their presentation skills. Prof. Archana Gadre evaluated the presentations and Prof. S. R. Gogte was the coordinator of the event.
4. Quiz Competition was organized for Undergraduate and Postgraduate students. Dr. S. S. Patil and Prof. Sanket Gogte were the judges. Prof. Mrs A. A. Gadre was the coordinator of the event.
5. One day workshop was organized for Undergraduate and Postgraduate students on "Hands on Training on Manufacturing Rechargeable LED Bulbs for UG and PG Students" conducted by the Department of Physics in collaboration with Avience Scientific on 18th January 2023.
6. Most of the M.Sc. students carried out their academic project in collaboration with different institutes such as Department of Physics, Savitribai Phule Pune University, Defense Institute of Advance technology (DIAT), Girinagar Pune, National Centre for Radio Astrophysics (NCRA), IITM Pune, CMET Pashan Pune, IISER Pune, National Chemical Laboratory (NCL), Pune etc.

**3. Achievements of Students:**

- Mr. Rushikesh Mhase, T.Y.B.Sc Physics has presented a paper on the topic 'Synthesis of Zinc oxide Nanoparticles' and received Second prize at the 18th National Chemical Engineering students conference 'Prakalpa' organized by IIChE student chapter, School of Chemical Engineering MIT AOE, Alandi (D), Pune during 10 to 11 March 2023.
- Mr. Datta Nagose, M. Sc. II Physics has achieved Third position in the Poster making Competition held on the occasion of annual Science Day event, 'Scintillation' held on 20th Feb. 2023 organized by the Department of Physics, SPPU.
- Ms. Isha Kabara, M.Sc. II Physics has received the best student award (P.G. Category) from our college.

**Mr. Gaurav Narkhede**

- Participated in 'Identifying features from 223 images from Pune Knowledge Cluster's Citizen Science Program: one Million Galaxies.
- Participated in Sokendai Asian Winter School 2023 organized by Graduate University for Advanced Studies.
- Actively participated in C.K. Mujumdar Memorial workshop in Physics, 2023 organized by IAPT and S.N. Bose National Centre.
- Participated in 4th Online INO workshop on Formation, Evolution and Asteroseismology of stars with a view to the Exoplanets, 19-20 May 2022.
- Successfully completed understanding Research methods by University of London.
- Successfully completed the workshop on creating 3D illustrations using Blender organized by Scidart Academy, Centre for Basic Sources, Kolkata from 12 to 21 July, 2022.
- Participated in the course, 'Ancient Indian astronomy', conducted jointly by Bhandarkar Research Institute, Heritage India Communication Pvt. Ltd. And Nyansa from 8 to 13 February, 2021.

**4. Ph. D. Students Achievements:**

**Mrs. Abhilasha Amadas Rokade**

- Presented a poster on the topic "To study the effect of incorporation of SnS nano rods on the performance of $CH_3NH_3PbI_3$ in an optoelectronic devices" in two days International conference on "Recent Trends in Pure and Applied Sciences (ICRTPAS-2023)" organized by Smt. Kusumtai Rajarambhau Patil Kanya Mahavidyalaya, Islampur, Sangli on 24th - 25th March 2023.
- Participated in a conference on "Sustainable Materials and Technologies for Bio and Energy Applications SMTBEA-2022" organized by SSN Institutions, Kalavakkam, Chennai and Indian Science Association on 14th July 2022.

- Presented a poster at the "International Conference on Advanced Materials Synthesis, Characterization and Applications (AMSCA Maverick-2022)" organized by the Department of Physics, SPPU during 18th- 20th October 2022.
- Presented a poster in "Raman Memorial Conference" on 17th - 18 March 2023 at Department of Physics, SPPU.
- Participated in two-day International conference on "Advanced Materials for Physical, Chemical and Biological Applications" organized by Karmaveer Bhaurao Patil College, Vashi, Navi Mumbai on 3rd - 4th March 2023.

3. Results of the Department: For the academic year 2021-22

| **Class** | **Percentage (%)** |
|---|---|
| F. Y. B. Sc | 68.44 |
| S. Y. B. Sc. | 89.8 |
| T. Y. B. Sc. | 95.45 |
| M.Sc. I | 81.8 |
| M.Sc. II | 95 |

**5. Contribution by the teaching staff:**

- All staff members actively participated in implementation of NEP-2020 Workshops and Conferences organized by S.P.P.U at different colleges under Quality Improvement Program
- All the teaching staff members extended their whole hearted support and cooperation in smooth functioning of the department mostly in offline mode.

**6. Achievements of Teaching Staff members.**

- Shri. S. S. Thengadi has attended One week FDP on 'New Education Policy in Higher Education-Context and Perspectives' organized by RUSA in Association with Joshi college of Arts and Bedekar College of Commerce, Thane from 1/7/2022 to 7/7/2022.
- Ms. Pooja Kulkarni has attended a one day Workshop on 'IP and Knowledge Management' organized by IISER Pune in collaboration with CSIR-NCL and Irise on 28 September 2022.
- Dr Padmashree Joshi has participated in the Hands on Workshop on Introduction to Virtual Labs organized by V-Labs in collaboration with IIT Mumbai and PVG Engineering College on 24 September 2022.

**Dr. Ruchita Khare**

- Attended two days tutorial workshop titled "Fundamentals of Solar Energy harvesting using Thin Film Solar Cells" conducted by Dr. K Kalyanasundaram, Lausanne, Switzerland held on Sept 26-27, 2022 at Department of Physics, SPPU, Pune.
- Paper published in ACS Applied Nano Materials titled "Titanium Trisulfide Nanosheets and Nanoribbons for Field Emission-Based Nanodevices' ' in December 2023.
- Attended one week faculty development program on "Innovations in Materials and Processing for Energy, Environment and Electronics(IMPEE)" organized by Department of Engineering Science in association with Centre for Materials for Electronics Technology (C-MET), Pune and Maharashtra Academy of Sciences from 7th to 11th February, 2023.

**Dr. Vaishali S. Waman**

- Participated in an International Conference on Advanced Materials Synthesis, Characterization and Applications (AMSCA Maverick-2022) organized by the Department of Physics, SPPU during 18th-20th October 2022.
- Attended one week faculty development program on "Innovations in Materials and Processing for Energy, Environment and Electronics (IMPEE)" organized by Department of Engineering Science in association with Centre for Materials for Electronics Technology (C-MET), Pune and Maharashtra Academy of Sciences from 7th to 11th February, 2023.
- Judged the projects in Inspire Award Manak 2021-22 DLE for 6th to 10th standard on 11 January 2023.
- Organized workshop on "Hands on Training on Manufacturing Rechargeable LED Bulbs for UG and PG Students" conducted by the Department of Physics in collaboration with Avience Scientific on 18th January 2023.

- Published a paper in the proceedings of International conference on Advanced Materials Synthesis, Characterization and Applications entitled "To study the incorporation of SnS Nanorods on the stability of $CH_3NH_3PBI_3$ perovskite in optoelectronic device".
- Published a paper in the proceedings of 7th International Conference on Nanoscience and Nanotechnology (ICONN 2023) entitled "Effect of sulphur concentration on NiS nanoparticles synthesized by Hot Injection Method".
- Published a paper in the proceedings of 7th International Conference on Nanoscience and Nanotechnology (ICONN 2023) entitled "To study structural and optical properties of SnS Nanorods on the stability of $CH_3NH_3PBI_3$ Perovskite in optoelectronic devices".
- Published a paper in Int. Res. J. of Science and Engineering, entitled "Synthesis and study of $CsPbBr_3$ by using anti-solvent re-crystallization method for solar cell applications" ISSN: 2322-0015, Impact factor: 6.7.

**Ms. Trupti Aher -**

- Attended one day Workshop on 'IP and Knowledge Management' organized by IISER Pune in collaboration with CSIR-NCL and Irise on 28 September 2022.
- Attended and participated in an International Conference on Battery Science and Technology 2022 organized by ICBST 2022.

**Ashwin Bochare -**

- Attended one day Workshop on 'IP and Knowledge Management' organized by IISER Pune in collaboration with CSIR-NCL and Irise on 28 September 2022.
- Attended and participated in an International Conference on Battery Science and Technology 2022 organized by ICBST 2022.

7. Contribution by the non-teaching staff:
   All the Non Teaching staff members extended their cooperation for conducting online practicals for Junior, Senior, Post Graduate and B.Sc. Blended classes successfully.
8. Special Achievement of Non-Teaching Staff.

- Mrs. Sujata R. Ughade (Laboratory Assistant): has been awarded the Best non-teaching employee award by BMA Sports and culture Welfare Association on 5th September 2022 also completed B.A. (Psychology).
- Shri. Avinash Shinde (Laboratory Attendant) successfully completed M.A. Marathi.

9. New Appointments on Adhoc basis in the Department of Physics for the A.Y. 2022-23

**Criterion – VII**

**7. <u>Innovations and Best Practices</u>**

7.3 Give Best Practices of the Department

- Improvement in blended mode of Teaching, Learning and Evaluation
- Regular offline Guest Lectures from various field.
- Involvement of Alumni in the Online/offline Guest Lecture series.

7.4 Contribution to environmental awareness / protection:

- In regular lectures and in guest lecture staff/resource person make awareness about environment.
- Set up of Vermiculture unit in College campus.
- Conduction of Vermitechnology course for students to spread awareness and importance of use of vermicompost for friendly environment.

7.6 SWOC Analysis of the Department

**Strength:**

- Well qualified and Experienced Staff .
- Adhoc Staff also NET/SET/Ph.D. qualified.
- Active PG Research Centre
- Courses from F.Y.B.Sc. to PG in Zoology offered at the department
- Adequate Infra-structural facilities
- Advanced equipment for UG, PG and research available
- UG students taking efforts to join PG courses.
- PG students involved in Project work in In-house and collaboration with other research institute
- Organized guest lectures.

**Weakness:**

- Insufficient Space
- Lack of permanent staff

**Opportunities:**

- Due to the PG teaching and Research, there is scope for improvement in research areas.
- Academic quality improvement from the CPE funds, expected in near future.
- Independent Syllabus framework and designing would be possible in Autonomy.
- More research work should be conducted at department and in collaborative institutes.

- We have learned online teaching methods on Google meet and MS team and also conducted online exams.
- To start more add-on/Skill development courses.

**Challenges:**

- To maintain the quality in teaching and laboratory exercises
- To cater to large number of students at UG level.
- To invite more experienced staff from SPPU and other institutes for enrichment of PG students.
- Many examinations have to be conducted.
- To strengthen research at PG and Ph.D. level

8. **Plans of Department for next year**

- Continuation of Guest Lectures from various fields.
- Add-on/ new skill development courses
- Efforts will also be made to procure new research grants.
- Exploring activities like posters, news articles and wall papers to keep students engaged
- Students of PG classes will be encouraged and trained for active participation in project work and to participate in research conferences.
- Encouraging UG students to take up summer training or vacation courses.
- Teaching staff of the dept. will be motivated to attend/participate in the workshops, seminars and conferences.
- Planning for collaborative projects with Institutes/Organizations
- Encouraging students to plan and execute extension activities.

More than 500 School students with staff members from Modern English Medium School visited this activity and appreciated the efforts of the students. Dr. P.S.Kudnar worked as coordinator for Zoo-vision All staff members guided students in making posters, models. Our T.Y.B.Sc. Zoology students had put a lot of effort into all these activities.

- Results of Zoo-vision- Vaishnavi D. Sanap, Disha Dhotre from S.Y.B.Sc. bagged the first prize in poster presentation. Aditya R. Lad and Janhvi Wagholikar from T.Y.B.Sc.Zoology and F.Y.B.Sc. won second prize respectively.
- Bhakti Dhaigude, Pratiksha Kadam and Rushita Jagtap won first prize in the model competition. In the Photography competition Aditya R. Lad and Mihir Joshi won the first prize. In Poem competition from T.Y.B.Sc. Zoology, Janhavi Sukhwani won the first prize and Sanchet S. Gaikwad won the second prize. In the Drawing competition Aditya Pawar from 12th science bagged first prize while Samyak Ganvir from T.Y.B.Sc. Zoology won second prize. In essay writing Shashwati Mahajan and Sairaj Mhetre from S.Y.B.Sc. won first and second prize respectively.
- **Zoo-Quiz Activity:**

  Zooquiz was organized by the Department of Zoology on 20th Jan 2023.An elimination round was conducted to screen the students from F.Y.B.Sc, S.Y.B.Sc., T.Y.B.Sc. and M.Sc. I classes on 17th Jan 2023. Top 4 students from each class were selected and they were then divided into four teams. Quiz rounds were conducted by M.SC. II year students. Prof. Netra Kulkarni co-ordinated the Zooquiz event. Results were declared immediately. First prize won by Darwin team, second prize by Griffith team and third prize by Lamarck team.

- **Lecture Series under Zoology Association** In this academic year 2022-2023 some Guest lecturers were arranged under the Zoology Association.

1. On the occasion of Wild Life week one of our past students Jay Gore delivered a lecture on 'Vulture Conservation' on 3rd October 2022. Nearly 90 students from F.Y.B.Sc., T.Y.B.Sc. and M.Sc. attended this lecture. This lecture enlightened us on the need of saving vultures as these birds are important scavengers of the ecosystem and keep the environment clean. This guest lecture was coordinated by Dr. B. T. Kalbage.
2. Dr. Binaykumar Chakraborthy (Executive Director,Aquaculture and Management Centre, Dhaka, Bangladesh) an International Guest speaker delivered his speech on 'Diversification of Fish and Fisheries' on 17th November 2022. Approximately 45 students attended this lecture. He focused on fisheries as self employment. This guest lecture was coordinated by Dr.P.S.Kudnar.
3. Dr. Sameer Padhye (Scientist , Biologia Life Science, Ahmednagar) spoke on 'Zooplankton Biodiversity and Ecology studies' on 27th December 2022. Sixty students of UG and PG attended the lecture. This guest lecture was coordinated by Dr. Yugandhar Shinde.
4. Dr. Narhari Grampurohit (HoD, Zoology, SPPU) delivered a lecture on the topic 'Amphibian as a model system in addressing ecological questions' on 27th February 2023. Nearly 40 students of B.Sc. and M.Sc. attended this interactive session. This guest lecture was coordinated by Shilpa Mandlik.
5. Ajinkya Unawane (Past student and Research Scholar IISC, Bangalore) spoke on 'Snakes around us, variation in snake venom and human snake conflict' on 11th March 2023.This talk was very interesting and students got knowledge about snakes around us. This guest lecture was coordinated by Netra Kulkarni.

6. Prof. Narendra Naidu (Former HOD, Zoology) conducted two sessions on the topic: 'Insect Development' on 20th and 21st March 2023 for M.Sc.II students. This lecture was beneficial to students for the understanding of insect development. This guest lecture was coordinated by Dr. Priyanka Saha.
7. Dr. H. V. Ghate, former Head, Zoology conducted a lecture cum workshop on "Insects around us" This activity was coordinated by Dr. P.S.Kudnar.

- **IVTC Course workshop**- "Integrated Vermitechnology course for Solid waste Management" was organized by the Zoology department in collaboration with INORA, Pune on 19th and 11th March 2023. This course was sponsored by BSD, Savitribai Phule Pune University.

  Dr. B.T. Kalbage worked as a co-ordinator for this workshop. Dr. Shubhangi Puranik, Dr. Priyanka Saha and Dr. B.T. Kalbage accompanied students in INORA, Darawali. 28 students of M.Sc. I and M.Sc.II participated in this workshop.
- **AAA of Zoology-** The Academic and Administrative Audit of Zoology department was carried out on 3rd February 2023. Prof. Dr. Sangeeta V. Pandit, HOD Zoology, SPPU worked as the External Auditor. She appreciated all the activities like team work, research work and publications, ISR activities, syllabus, documentation, Zoo-vision, study tours and Add-on courses.
- **Audit by CEDA**- Three yearly AAA of Zoology was conducted on 18th October 2022 by CEDA. Dr. Beena Inamdar and Prof. A.G. Gosavi (Former Principal) were expert auditors for this audit.
- **Study Tours-** In this year S.Y.B.Sc**.** Zoology study tour was arranged on 16th January 2023 to the Sericulture Institute, Wai and Apiculture Institute, Mahabaleshwar. Students were really benefited by these visits. They observed Mulberry farms, equipment in sericulture, handled honey bees, equipment in apiculture. Dr. P. S. Kudnar coordinated this visit. Shilpa Mandlik, Gauri Shahane, Shruti Yeola, Umesh Gore, Yogesh Jare accompanied the students.
- The F.Y.B.Sc. and M.Sc.I visit to ZSI, Pune took place on 31st January 2023. Students observed specimens and visited different laboratories and attended a lecture on DNA-Barcoding delivered by our alumni Shabnam Ansari. About 90 students were present. Dr. Bharat T. Kalbage, Dr. Priyanka Dutta Saha, Gauri Shahane, Shruti Yeola, Ms. Varada Kulkarni accompanied the students.
- **Alumni meet-** An Alumni meet of M.Sc. Zoology was organized on 4th March 2023. Principal Dr. R.S. Zunjarrao inaugurated the function. The program started with a welcome note given byProf. Netra Kulkarni which was followed by Isha Stavan presented by Prof. Renu Bhalerao.
- Dr. Shubhangi Puranik, Coordinator, M.Sc. Zoology, briefed us about the whole program. Dr. B.T. Kalbage, Head, Department of Zoology then welcomed the alumni and congratulated them. Dr. V.B. Gaikwad, Vice Principal, faculty of commerce also congratulated the alumni and the P.G. staff members for arranging the program. About 30 past students from the year 2017 to 2022 were present for this meet. Dr. Shubhangi Puranik, Dr. Priyanka Dutta Saha, Netra Kulkarni took efforts to organise this alumni meet.
- **MoU-** An MoU was signed between Biosimilia Pvt. Ltd. Chembur Mumbai a leading Homeopathy pharma company and Department of Zoology, Modern College, Pune-5

**Activities /Achievements of Staff**

**Dr. Bharat T.Kalbage**

1) Completed 25 years of service in the college.
2) Awarded Ph.D. Degree on 18th November 2022 by Savitribai Phule Pune University.
3) Worked as coordinator for SPPU sponsored Vermitechnology workshop.
4) Worked as Judge for poster competition in Microbiology and Geography department.

**Dr. P. S. Kudnar-**

1) Appointed as UG co-ordinator of the Department.
2) Organised institutional visit of S.Y.BSc. Class to Sericulture institute Wai and Apiculture Mahabaleshwar.

**PGRC Zoology carried out following Ph. D. related activities:**

- **Ph.D. Admission interviews** - Ph.D**.** Admission interview of three candidates was conducted on 3rd June 2022.Three candidates were selected by committee. Second round of Ph.D. admission for two candidates was conducted on 13th February 2023. The SPPU committee selected one candidate.
- **Pre-Ph.D. proposal presentation**- Pre-Ph.D. proposal presentation viva of Renuka Khairnar and Aishwarya Shirsath was conducted on 23rd May 2022. A Pre-Ph.D. proposal presentation viva of Prachee Surwade and Mohinaj Mahedi was held on 29th July 2022.

- **Progress Reports presentation-** Six monthly Progress Reports presentation was held on 08th March 2023.at PGRC Zoology. Research scholars Ashiwini Patil, Netra Kulkarni, Varada Kulkarni, Renuka Khairnar and Prachi Surwade presented their progress reports.
- Dr. Ravindra Kshirsagar from Modern College Ganeshkhind worked as an external expert and Dr. B.T. Kalbage worked as an internal expert.
- **Pre-submission of Ph. D. synopsis presentation-** Pre-submission of Ph.D. synopsis presentation of Rutika Jagtap and Rujuta Deshpande was conducted on 18thMay2022 and 8th September 2022 respectively. Dr. (Mrs.) S.V. Pandit (HOD, Zoology, Savitribai Phule Pune University) was subject expert for this viva. For Imran Patel the viva was conducted on 8the February 2023 and subject expert was Dr. Ravindra Kshirsagar from Modern College Ganeshkhind.
- Six monthly progress reports of PGRC Zoology for the period July 2021 to December 2021 and January 2022 to June 2022 were submitted in December 2022.
- Rutika Jagtap was awarded the Ph.D. degree on 5th December 2022 by Savitribai Phule Pune University..
- **Research Audit-** The administrative and research audit of PGRC Zoology was successfully completed.

**Student's progression:**

1) Veerendra Naidu got admission to M.Sc. in Ecology at Puducherry University
2) Gautami Meherkar got admission to M.Sc. Marine Bio.Institute Parangipettai, Chennai.
3) Nikita Kale, Vaishanvi Awatade , Sukanya Aru, Varsha Satras, Shrushti Jadhav, Diksha Dhamdhere, Pranav Wabale, Omkar Kalskar, Sakshi Upadhyay got admission for M.Sc. in Modern College,Pune -5
4) Pradnya Mhaske, Sanskriti Bhalerao got admission for M.Sc. Geoinformatics in SPPU
5) Suraj Adamuthe got admission for MBA in Sinhgad College, Pune
6) Gayatri Suryawanshi got admission in Sport Academy in Mumbai.
7) Abhishek Singh got admission for M.Sc. Health Science in Haryana.

**Students Achievements-**

1. Veerendra Naidu was topper in T.Y.B.Sc. Zoology with 94.9% marks for the academic year 2021-2022.
2. Gautami Meherkar scored second rank with 90.4% marks for year 2021-2022
3. Shivam Oswal was topper in M.Sc. Zoology degree with 86.80 % marks for academic year 2021-2022.
4. Sheetal Ankam scored second rank in M.Sc. Zoology degree with 85.80 % marks for year 2021-2022

**7.6 SWOC Analysis of the Department**

**Strengths:**

- ❖ Well qualified faculty
- ❖ First Department to get permanent Post -Graduate recognition & Most of the members of the department have PG recognition.
- ❖ Optional subjects offered including statistics
- ❖ Department with largest strength of students in the College
- ❖ Five staff members possess Professional qualifications.
- ❖ Since June 2008, the Department has a Research Centre for pursuing Ph.D. in Accountancy, Banking and Finance, Business Administration, Marketing Management, Business Practices.
- ❖ Courses are available from Undergraduate to Postgraduate and also up to Ph.D. under one roof.
- ❖ Representation of staff members on the prominent bodies of the SPPU like the Board of Studies since the last Twenty Years.
- ❖ Two staff members have completed Ph.D, Four members have registered for Ph.D.
- ❖ The Department provides Skill Development Courses, Course in Computerized Accounting, Soft Skill Development Programme, and Introduction to Stock Trading.
- ❖ The Department organises Industrial visits, Workshops, Guest lectures, Seminars on concurrent issues, Exhibitions and various competitions for overall development of the students.
- ❖ Entrepreneurial skill development opportunities available to students and students are encouraged to participate in Vyapar Mela.
- ❖ Departmental Library available for reference to students and staff.
- ❖ Some students are working, having part time jobs in various sectors.

**Weaknesses:**

- ❖ Student- teacher ratio is high. It acts as a limit for personal interaction with the students.
- ❖ Limited Infrastructure for co-curricular activities. Also, stress on existing infrastructure during the prime time.

**Opportunities:**

- ❖ More research oriented projects
- ❖ More use of digital classroom, virtual classroom, ICT.
- ❖ More exposure to practical experience.
- ❖ Placement activity on a larger scale.
- ❖ Internship to a limited number of students in trade and industry.

**Challenges:-**

- ❖ Cream of the students admits themselves for professional courses like C.A., I.C.W.A., & CS examinations and focus on these examinations. Motivating them for participation in academics and co curricular activities is a challenge.
- ❖ Similarly ensuring participation of students who are employed in part time jobs and satisfactory completion of academic pursuits and results from them poses challenges.
- ❖ Heavy dependence on web resources for education by the students than standard and classical reference books on the subjects.
- ❖ Implementation of Autonomy & NEP 2020 is a big challenge.

**4.2.1 - Library is automated using Integrated Library Management System (ILMS)**

| Library is automated {Integrated Library Management System -ILMS} | | | |
|---|---|---|---|
| Name of the ILMS software | Nature of automation (fully or partially) | Version | Year of automation |
| KOHA | Fully | 22.11.03 | 2021 |

The Library and Information Centre is automated since 2005 using Autolib Software. As a step towards up gradation, in October 2021, installation and implementation of KOHA ILMS is done in the Library. KOHA is a full featured open source Integrated Library Management System.

KOHA provides the modules of Acquisition, Cataloguing, Barcode Printing, Patrons, Serials Control, Reports, Tools and KOHA Administration. The OPAC and WebOPAC facilities are also available. The ILMS provides options of generating customized reports as per the library requirements. The In-out Management system helps in measuring the library user footfall.The reports can be generated according to the varied user categories. Library users receive automated email from the system regarding issue/return of books.

The Library Webpage developed on KOHA (http://opac.mcascpune5lib.com:8001/) provides detailed information about the library and access to Library at a glance, Access to Subscribed and Open Access Databases, Open Educational Resources, Reference Links eg. UGC-CARE, Rare Book Society of India, Internet Archive etc. The library webpage also provides links to External Higher Educational bodies like UGC, NAAC etc. The WebOPAC facility enables the students to know the availability status of the book. The Browse-Shelf facility in the WebOPAC works as a Virtual Book Shelf.

**Additional Information:**

The Library and Information Centre of Modern College, Pune-5 upgraded to the globally used KOHA Integrated Library Management Software. After successful migration from the existing Autolib Library Software, KOHA was launched successfully in October 2021. Being an Open Source Software, it provides the facility of customization as per our local needs.

The following modules are provided by the ILMS: Acquisition (including Accessioning), Cataloguing, Circulation, Patron Management, Serials Control, KOHA Administration, Tools (for updating the OPAC/WebOPAC User Interface), In-out Management System and Reports. In the Acquisition Module, while accessioning, with the help of ISBN, the ILMS automatically takes the Images of the Book Covers from Google Images /Amazon.com. The book images appear in the Book Search in OPAC and WebOPAC. Users can search the required book using Author, Title, Subject, ISBN, ISSN, Series, Call Number and Accession Number. It also provides the availability status of the book.

The Circulation history of a book and of a user can easily be generated. The Circulation Module automatically sends Check-in, Check-out and Advance Notice of Item Due to the Library Users regarding the Issue/Return of Books. At the end of academic year, the library generates list of books pending on students name from the software and the respective mark

sheets are brought in the library. After clearing the book dues, the students are given their mark sheet. Library footfalls can be easily measured with the help of the In-out Management System categorically. The OPAC and WebOPAC has a special feature of Book Shelf which lets the user know about the other books in the same shelf in a virtual manner. Library Website is also created using KOHA which measures the number of user visits in OPAC / WebOPAC. Several External Links are also provided in the Library Website. For the ease of the users, link to the College Institutional Repository, MCASC Subject Gateway, Google Scholar Institutional Profile and Virtual Shelf of Modern Magazines is also provided. Users can access the WebOPAC on Mobile too which enables 24x7 remote access to the library catalogue and the Institutional Repository.

**iv. Vyapar Mela 2022-23**

Modern College of Arts, Science and Commerce (Autonomous), Shivajinagar, Pune- 05 held "Vypar Mela (Trade Fair Day) on 19th and 20th of January 2023 in college campus. The event was inaugurated by Chief Guest Mr. Nitin Naik (Founder, Director, CEO at Cubix Tech Integration Pvt. Ltd, Pune) and Principal Dr. R.S. Zunjarrao.

The objective of this event is to inculcate the entrepreneurial skills among college students. Vyapar Mela is an excellent opportunity provided to the students to learn how to start a business in minimum capital and selecting and presenting products according to customer demands. Good profit in minimum capital was achieved, which increased the student's confidence. From this event students learned that coordination and marketing strategies are key to run a successful business. The event provided a wonderful platform to students and helped in their all round development. It was a life time experience for students and also for staff members. Trade Faire day aims to showcase the indomitable spirit in students for the business, and to understand the business view.

The motto behind this event was to bring students and teachers together, interact and communicate to understand the board view of market and marketing techniques. This event teaches to understand students about benefits of business and create the approach towards it. It helped to develop their business skills. It also lead them to understand the forces of market (i.e.

demand and supply) and hence determined their product value and price. Students discovered the new techniques of financial management. Putting zero investment and gaining the profit was an extremely impressive way. Small games were discovered from social media reference, and this added a fun element in the mela. Students built their customer network with faculty members, non teaching staff and other students during these two days.

COVID 19 created awareness about cleanliness and health to all. This was observed in students as well. All students had maintained appropriate cleanliness. Value for money and health was inculcated during the lockdown which was reflected at the event.

National Education Policy stresses on practical based education. Vyapar Mela is one of the platform which tries to fulfill few aspects of the policy.

60 stalls with different varieties of products were arranged at the Vyapar Mela. Different services were showcased for the presentation and sale by the students. Few titles of the stalls included:

- Self made items.
- Homemade food items.
- Intelligent Brain Games.
- Body care products
- Tattoo Making
- Garments
- Fashion accessories
- Paintings etc.

Last but not least additional benefits on a emotional level were generated by the pleasure of unexpected encounters and new discoveries during the event. The most heart touching moment of the event was when all participating students felicitated Mr. & Mrs. Shelar (Sweeper) who helped them keep the venue clean and tidy.

Chief Guest Mr. Nitin Naik wished student's good luck and Principal Dr. R.S. Zunjarrao guided them about how to develop administrative approach; he also congratulated and encouraged the students.

The event was attended by Vice Principals, Heads, Teachers, staff and students of our college. Participation of all these members made the event successful.

Vyapar Mela 2022-23 received an overwhelming response.

iv. **Contemporary Mural Painting Module:** all students of Department of Fashion Technology took up a project of painting various artworks on classroom and department walls. Various motivational quotes and aesthetic designs were painted on the walls of the department by the students. Colours and material required was contributed by the students and teachers.

v. **Poster making Competition:** on **occasion of 192nd Jayanti of Savitribai Phule** a poster making competition was organized for SY B. Voc (FT & AD ) students on 3rd January 2023 at the Department. The theme for poster making was successful **women entrepreneurs of India**. The competition made students research and study various women entrepreneurs and present their struggle and success story in a captivating way. Students used various presentation mediums to make the posters. The theme inspired all the students to start their own business.

vi. **Paper Draping Competition:** On 3rd January 2023 paper draping competition was organized for FY B. Voc (FT & AD) students. Inspiration based newspaper designs were draped on mannequins. This competition taught many paper folding, cutting and pasting skills to first year students. They even had hands on experience of developing a concept and executing it appropriately.

vii. **Visit to Museum:** A visit to Raja Dinkar Kelkar Museum, Pune was arranged for FY and SY students. Antique textiles, garments, artifacts, paintings and much more told stories of their times to students. The level of fine craftsmanship amused the students and inspired them to sharpen their skills.

viii. **Exhibitions:** Two seasonal exhibitions showcasing and selling traditional textile, artifacts and creative products were visited by students. Artisans from every state of India had a showcase in the exhibition. Students were able to observe how to display the products in attractive manner and the way artists communicate with the audience. These exhibitions gave students real live demonstrations of how valuable our traditional art and crafts are. It also made them realizes that the market appreciates true skills.

3. SWOC Analysis of the Department

1. Strengths:

- Skill based programme, that helps students earn livelihood.
- Qualified and devoted staff.

- Student's maximum attendance is appreciable.
- Student's practical skills are developed and polished very well, this boosts their confidence for working in the industry.
- Students are capable of working at various positions like designer, production supervisor, merchandisers, teacher, embroiderer, master, and tailor.
- Department is capable of executing mass production.

2. Weakness:

- Number of labs are insufficient.
- More skill based expert lectures should be scheduled.

3. Opportunities:

- Department is capable of executing mass production.
- Placement opportunities in fashion and production industry.

4. Challenges:

- To become well known for imparting quality fashion education.
- Website updates
- Aggressive Marketing

**Plans of Department for next year**

- Good advertisement of the courses
- Introduce Fast track Add on skill based courses.

- **Bachelors in Vocation (B. Voc Fashion Technology & Apparel Designing)**

  The B. Voc (**Bachelors in Vocation)** course has reached the nooks and corners of Maharashtra. This education program is giving students much needed confidence to build their career for self reliance and economic growth. Vocation education in Fashion Technology & Apparel Designing is effective for livelihood development for our students. The new education policy talks about the same. The government has implemented this policy of merging the formal and non formal education by way of NSQF levels (National Skill Qualification Framework). Keeping in mind the same, the Fashion Technology Department has signed MoUs with various fashion and design industries.

- We have successfully completed four batches of B. Voc in A.Y. 2022-23. Every passed student is working at various positions in the Fashion industry and are earning smartly. The practical and industry oriented curriculum has resulted in generating an earning source for every student.

**Departmental Achievement:**

- Department of Fashion Technology Modern College of Arts, Science and Commerce (Autonomous), Shivajinagar, Pune 5 received **Education Excellence Award 2022** by Sakal. This achievement was possible because of the visionary guidance of Honorable Prof. Dr. G.R. Ekbote. We are thankful to Principal Dr. R.S. Zunjarrao for believing in us.

**Student Achievements**

i. 100% students of the final year batch (A.Y. 2022-23) have successfully completed their internship. The curriculum of the course is **in alignment with National Education Policy 2020** and this has been the key for the success of the students.

ii. Student Sayali Pawar has been placed at Designer Anita Dongre, Navi Mumbai. The placement was offered to her during her internship at the design house.

iii. Student Rohini More is placed at well known Men's Fashion Brand- Nautica as retail merchandiser.

iv. Student Sunil Salunke has earned a job at Multinational brand GAP.

v. Student Parvej Shaikh has started two enterprises of bespoke Men's wear Designer studio-Suit Gallery at Srirampur, Ahemdnagar and second one at Loni Kalbhore, Pune. He also designs and manufactures for various male actors in Marathi Film industry to name a few Shiv Thakare and Siddharth Nigam

vi. Students Shravani Jadhav and Snehal Khopade are very successfully working as costume designers and stylists in the Marathi film industry.

vii. Student Omkar Kalekar has become a certified vendor to manufacture school uniforms of Zilla Parishad Schools in and around Pawana and Lonavale. His B. Voc degree in Fashion Technology earned him the eligibility for gaining the vendorship. He has also started taking up small freelance projects to develop virtual garment designs using design software – Clo 3D.

viii. Student Mudra Vandkar is successfully running her design studio in Ratnagiri. She manufactures designer blouses and rents out garments for various photo shoots.

ix. Above mentioned are a few of the students. Many more students are undertaking orders for designing and styling for various photo shoots (pre wedding, baby shower, festival shoots,

etc). They are using **Computer Aided Designing** and are able to manage multiple orders simultaneously. On an average they are able to earn a minimum 15 to 18 thousand per month.

**Departmental Events and Activities:**

Department organized the following events, visits and competitions in academic year 2022-23

i. **Fashion Show in Pune Metro:** TY B. Voc students walked down the ramp showcasing garments designed, stitched, styled and modeled by them in running metro on 4th March 2023. This was the first ever Fashion show to be conducted in running Metro in Pune. Passengers and students were mesmerized by the show.

ii. **Industrial Study Visit:** An industrial visit was organized to various garment manufacturing companies at Baramati Hi-Tech Textile Park on 5th December 2022. Students observed various machineries, apparel manufacturing process and different departments of Cotton King Pvt. Ltd, Peppermint (Kids Fashion Brand), Purple (Ladies Fashion brand).

iii. **An Exhibition- India @ 75** Students of Department of Fashion Technology organised 'India @ 75' as part of Azadi Ka Amrit Mohotsav being celebrated all across the country. 'India @ 75' is an Exhibition of 75 creative expressions of hand crafted objects, exquisite paintings, elaborate illustrations, traditional artifacts, fabrics, drapes from different parts of India. Students and staff of the Department of Fashion Technology have painstakingly created these objects of desire to showcase the rich, diverse culture & tradition of India. The exhibition was inaugurated by Prof Dr Jyostna G Ekbote, Former Corporator (BJP) Pune Municipal Corporation & Joint Secretary, Progressive Education Society in the presence of Prof Dr R S Zunjarrao , Principal Modern College of Arts, Science & Commerce and Prof S S Deshmukh, Secretary, Progressive Education Society, Prof S S Thengadi, Vice Principal, Prof Dr Anjali Sardesai, Vice Principal and senior members of the institute on 10th August 2022. In her inauguration speech, Prof Dr Jyostna G Ekbote congratulated the students and staff for their unique tribute to the country through their creativity and sensitivity shown through their work of art. She urged the students to continue doing such good work which will inculcate patriotism and national pride in their minds. Your work will help propagate these sentiments and inspire others. She complimented the students to be part of Azadi Ka Amrit Mohotsav, displaying 75 different art and crafts of India on occasion of Azadi ka Amrut Mohostav was organized on **10th August 2022.** Honorable Prof. Dr. Jyostna Ekbote, Respected Principal R.S. Zunjarrao, Prof. S.S. Thengadi inaugurated the exhibition. Prof. S.S. Deshmukh, Secretary P.E. Society guided the students on this occasion.

iv. **Contemporary Mural Painting Module:** all students of the Department of Fashion Technology took up a project of painting various artworks on classroom and department walls. Various motivational quotes and aesthetic designs were painted on the walls of the department by the students. Colours and material required was contributed by the students and teachers.

v. **Poster making Competition:** On the occasion **of 192nd Jayanti of Savitribai Phule** a poster making competition was organized for SY B. Voc (FT & AD ) students on 3rd January 2023 at the Department. The theme for poster making was successful **women entrepreneurs of India**. The competition made students research and study various women entrepreneurs and present their struggle and success story in a captivating way. Students used various presentation mediums to make the posters. The theme inspired all the students to start their own business.

vi. **Paper Draping Competition:** On 3rd January 2023 paper draping competition was organized for FY B. Voc (FT & AD) students. Inspiration based newspaper designs were draped on mannequins. This competition taught many paper folding, cutting and pasting skills to first year students. They even had hands-on experience of developing a concept and executing it appropriately.

vii. **Visit to Museum:** A visit to Raja Dinkar Kelkar Museum, Pune was arranged for FY and SY students. Antique textiles, garments, artifacts, paintings and much more told stories of their times to students. The level of fine craftsmanship amused the students and inspired them to sharpen their skills.

viii. **Exhibitions:** Two seasonal exhibitions showcasing and selling traditional textile, artifacts and creative products were visited by students. Artisans from every state of India had a showcase in the exhibition. Students were able to observe how to display the products in an attractive manner and the way artists communicate with the audience. These exhibitions gave students real live demonstrations of how valuable our traditional art and crafts are. It also made them realize that the market appreciates true skills.

ix. **Paper Bag making workshop:** Students should be able to give a pleasant experience to their customers and so various branding techniques are important. Paper bag making workshop was conducted on the Garware Metro Station, Pune for all students of Fashion Technology on 4th March 2023.

x. **Career Counseling Session for TY students:** A special session providing valuable insights about "Starting to work in the Garment Industry" was organized. Entrepreneur Ms. Ashu Patil guided TY students regarding various traits that students should keep in mind while pursuing an internship and then while working in the Fashion Industry on 15th December 2022 at the Department.

- **Teachers Contribution:**

  All teachers of the Department – Prof. Manasi Thakur, Prof. Netra Todkar, Prof. Varsha Waikar, Prof. Mansi Nagarkar, Prof. Nikita Natekar have worked dedicatedly and given their best of skills to students which have helped them become independent.
